Paul Pettit, B. Jason Epps, 2024-08-06 According to the CDC one in four people in the United States lives with a disability yet many of our churches don't resemble this reality Attempts to welcome those with a disability are often implemented by well meaning but ill informed people The results can lead to those with disabilities feeling excluded and isolated from the family of God One Body One Spirit gives eyes to the able bodied to see the challenges experienced by those with disabilities Physical barriers to places of worship classrooms and small group settings leave people outside the gathered family of God Emotional barriers like fear and prejudice preclude them from using their spiritual gifts How can church communities on both the congregational and individual level address these issues B Jason Epps and Paul Pettit provide a road map by looking at a biblically informed solution They survey disability in the Old and New Testaments provide a vision for full integration outline how to conduct a disability audit and offer a five step plan for how to change the culture of your church *Moments of Grace* Janae Hofer, 2022-07-19 Praise for Moments of Grace The Bible tells us that the testing of our faith produces perseverance James 1:2-4 You won't find many people who demonstrate perseverance the way Janae Hofer does Her story is inspiring humbling and at times gut wrenching but it will give you insight into the mind and heart of an amazing young woman Jim Daly President Focus on the Family Unaware of her hidden turmoil many are

impressed with Janae Hofer's unrelenting drive to open her own law practice despite needing assistance with every physical task because of cerebral palsy a disability hindering her every movement But her life is more than physical struggles It's also joy and sorrow laughter and pain victory and defeat In Moments of Grace Hofer narrates her story through her human lens calibrated to God's grace This reflective focus reveals glimpses of the golden thread in all of life's moments She tells how God provided her with a loving Christian family and carefully cultivated friendships Preserving her life despite suicide attempts God granted her strength to persevere when continual underestimation by colleagues and bosses built a steel coffin around her This memoir shares the contrast between Hofer's hopeless feelings at different moments and her grateful perspective as she now looks back Through her story she encourages you to use the recalibration questions to make your perspective on your own life one of gratitude and humility She prays this book will be one tool God uses to point you toward a deeper understanding of his unfailing grace in every moment past present and future The Boy Who Loved Brittany Tylia L. Flores, 2025-11-09 In the quiet often overlooked town of Oak haven nestled amidst rolling hills and whispering willows lives a young boy named Christian Holden Christian a bright and imaginative thirteen year old possesses a unique perspective on the world shaped by his experiences with cerebral palsy autism and ADHD His world is a tapestry woven with challenges and triumphs filled with the echoes of his own thoughts and the whispers of a longing for connection Christian's world is also a world of words He finds solace in the pages of romance novels their stories offering a window into worlds where love conquers all where hearts intertwine and where dreams take flight His favorite subject English becomes an avenue for expressing his thoughts his feelings his hopes and his dreams But there is a void in Christian's life a yearning for something more than the comforting embrace of fiction He longs for real connections for friendships that transcend the limitations of his physical world and for a love that sees him for who he truly is a boy with a beating heart a vibrant soul and a world of dreams waiting to be unveiled
