Uniforms Of The Peninsular War In Colour 1807 1814:

Uniforms of the Peninsular War in Colour, 1807-1814 Philip J. Haythornthwaite, Mike Chappell, 1995 The war on the Iberian peninsula waged from 1807 until 1814 pitted British forces against those of Napoleon and also involved troops from Spain and Portugal as well as a large number of soldiers from other countries Wellington's Cavalry and Technical Corps, 1800-1815 Gabriele Esposito, 2021-12-08 While artillery has been described as the queen of the Napoleonic battlefield this was an era when cavalry could still play a decisive role in battle as well as being vital on campaign This volume covers both British cavalry and artillery of the Napoleonic Wars as well as supporting units such as engineers Gabriele Esposito describes the history organization and uniforms of the various units in full detail following the evolution and combat history of each Mounted troops deployed in the various British colonies as well as foreign cavalry units in British service will be all covered in specific chapters The technical corps most notably the artillery both foot and horse and the engineers are given similar treatment Royal Marines naval infantry and some other auxiliary corps like the Yeomanry militia cavalry or the Sea Fencibles all very little known are also included The book is lavishly illustrated with dozens of color paintings Our Young Soldier Mary Beacock Fryer, 1996-09-01 Francis Simcoe was the eldest son of John Graves Simcoe and Elizabeth Gwillim his father is celebrated as the first lieutenant governor of Upper Canada his mother for her Canadian diary and watercolour sketches Francis was one year old when his family arrived at Newark Niagara on the Lake in 1792 and almost six when they returned to England Letters written by his mother sisters and himself reveal his childhood at Eton At sixteen he was an ensign in the 27th Inniskilling Regiment From the beginning of his military career he kept journals and wrote many letters preserved by the family His service began in Ireland and ended under Wellington he died leading a storming party in the Trinidad breach at Badajoz Spain a thoroughly bloody costly battle in the Peninsular war The army had lost a talented young officer As a warrior Francis possessed the qualities that had carried his father from ensign to lieutenant general Letters and journals disclose a soldier who was also an intelligent loving human being Of special interest are Francis associates who spent time in Canada the Duke of Richmond Edward Littlehales James Kempt and Julia Somerville more than a friend who became Mrs Francis Bond Head four years after young Simcoe's death **A Nation of Deadbeats** Scott Reynolds Nelson, 2012-09-04 The story of America is a story of dreamers and defaulters It is also a story of dramatic financial panics that defined the nation created its political parties and forced tens of thousands to escape their creditors to new towns in Texas Florida and California As far back as 1792 these panics boiled down to one simple question Would Americans pay their debts or were we just a nation of deadbeats From the merchant William Duer's attempts to speculate on post Revolutionary War debt to an ill conceived 1815 plan to sell English coats to Americans on credit to the debt fueled railroad expansion that precipitated the Panic of 1857 Scott Reynolds Nelson offers a crash course in America's worst financial disasters and a concise explanation of the first principles that caused them all Nelson shows how consumer debt both at the highest levels of finance and in the

everyday lives of citizens has time and again left us unable to make good The problem always starts with the chain of banks brokers moneylenders and insurance companies that separate borrowers and lenders At a certain point lenders cannot tell good loans from bad and when chits are called in lenders frantically try to unload the debts hide from their own creditors go into bankruptcy and lobby state and federal institutions for relief With a historian s keen observations and a storyteller s nose for character and incident Nelson captures the entire sweep of America s financial history in all its utter irrationality national banks funded by smugglers fistfights in Congress over the gold standard and presidential campaigns forged in stinging controversies on the subject of private debt A Nation of Deadbeats is a fresh irreverent look at Americans addiction to debt and how it has made us what we are today **Library of Congress Catalogs** Library of Congress,1980 **Wellington's**

Infantry Gabriele Esposito,2021-03-19 This illustrated history presents a detailed overview of the British infantry s organization uniforms and equipment during the Napoleonic Period The years from 1800 to 1815 were one of the most glorious periods for the British Army and the infantry was its backbone Lavishly illustrated with color artwork this book examines how the foot regiments evolved to absorb the lessons of defeat in America transforming them into the efficient and dependable bedrock of victory in the Napoleonic Wars Historian Gabriel Esposito details the uniforms equipment and weapons of the infantry along with their organization and tactics Chapters are devoted to the Guards the line regiments of foot the Light Infantry and Rifles as well as Highland and Lowland Scots regiments Esposito considers not only those units serving with Wellington in the Peninsular War and the Waterloo Campaign but all British infantry units including those in Canada the West Indies India and elsewhere including the home defense Fencibles Foreign units serving with the British army most notably the King s German Legion are also included **Subject Catalog, 1979** Library of Congress,1979
