

onze staat en heeft geen plaats ingeruimd voor de gezanten die met een speciale missie voor een beperkte duur werden uitgezonden. Maar in de praktijk van het toenmalige diplomatieke bedrijf laat zich een dergelijke scherpe scheiding niet altijd aanbrengen. De samensteller kan zeker gegronde redenen hebben gehad om de groep van vertegenwoordigers in een bijzondere missie toch buiten beschouwing te laten, maar hij vermeldt ze niet. De lezer zou graag een motivering van deze beperking hebben vernomen.

Overigens heeft Schutte gelukkig een ruime interpretatie aan de begrenzing van zijn werkterrein gegeven. Zo vermeldt hij niet alleen de gegevens over de residerende vertegenwoordigers en consuls, maar ook die betreffende het ambassadepersoneel en de aan de legaties verbonden predikanten. Bovendien beperkt hij zijn informatie over onze vaste vertegenwoordigers in het buitenland niet tot de gegevens over hun diplomatieke carrière, maar verschaft hij vele andere personalia als geboorte-, doop-, huwelijks-, overlijdens- en begraafdata, de namen en data der echtgenotes, de namen der ouders en schoonouders, de (verdere) beroepen van al deze personen en de eventuele adellijke status en diploma's.

Juist doordat Schutte zijn taak als verzamelaar en verstrekker van informatie zo ruim heeft opgevat, heeft zijn werk er een extra dimensie bijgekregen, waarmee zeker niet alleen de in de diplomatieke geschiedenis geïnteresseerde historicus gebaat is. Met name in de aanvullende personalia biedt het repertorium een schat van prosopografische gegevens, waarmee wij afgezien van enkele zeer waardevolle lokale studies als van J. E. Elias, *De vroedschap van Amsterdam 1578-1795* (Haarlem, 1903-1905) en E. A. Engelbrecht, *De vroedschap van Rotterdam 1572-1795* (Rotterdam, 1973) in onze vaderlandse geschiedschrijving bepaald niet verwend waren. Dit naslagwerk zal in een tijd waarin de belangstelling voor verschijnselen als sociale mobiliteit, bureaucratie en bureaucratisering sterk is toegenomen, ook aan historici wier interesse niet in de eerste plaats naar de diplomatieke geschiedenis uitgaat, goede diensten kunnen bewijzen. Indices op de persoonsnamen en geografische namen maken het makkelijk hanteerbaar.

Als recensent van een repertorium wil ik mij niet een oordeel aanmatigen over de algehele betrouwbaarheid en de volledigheid van de verstrekte informatie; wel kan ik meedelen dat de genomen steekproeven mijn verwachten niet hebben teleurgesteld.

Tot slot nog een losse opmerking die mij even van het hart moet. Wanneer Schutte in zijn Inleiding op bladzijde xi opmerkt dat het benoemen van vertegenwoordigers in het buitenland door gewestelijke staten of steden (onder andere Amsterdam) 'meestal in strijd met de Unie van Utrecht' geschiedde, dan draagt hij hiermee bij tot een overigens zeer verbreid misverstand: alleen in oorlogstijd was het onderhouden van betrekkingen met de vijand door gewesten of steden buiten de Staten-Generaal om niet toegestaan, maar verder legde ook in dit opzicht de Unie van Utrecht de bondgenoten geen beperkingen in hun soevereine rechten op.

M. A. M. Franken

Deric Regin, *Traders, Artists, Burghers. A Cultural History of Amsterdam in the 17th Century* (Assen/Amsterdam: Van Gorcum, 1976, 214 blz., f 45.-, ISBN 90 232 1427 7).

Any study of the rich and diverse cultural life of Amsterdam is to be welcomed, and Dr. Regin has provided us with a lively introduction to the subject, specifically aimed at an English-speaking audience. The author's enthusiasm and personal commitment to his subject must communicate itself to the reader, although he might also be put off by a number of broad and rhetorically-phrased generalisations whose precise meaning is not

Traders Artists Burghers A Cultural History Of Amsterdam In The 17th Century

Ronald L. Dotterer, Susan Bowers

Traders Artists Burghers A Cultural History Of Amsterdam In The 17th Century:

Traders, Artists, Burghers Deric Regin, 1976 Traders, Artists, Burgers : a Cultural History of Amsterdam in the 17th Century D. Regin, 1976 **The Embarrassment of Riches** Simon Schama, 1988 In a brilliantly inventive work bestselling author Simon Schama explores the enigma of 17th century Holland a nation that attained an unprecedented level of affluence yet lived in constant dread of being corrupted by prosperity Drawing on a vast array of period documents and sumptuously reproduced art THE EMBARRASSMENT OF RICHES throbs with life on every page 314 photos illustrations Copyright Libri GmbH All rights reserved *Dutch Seventeenth-century Genre Painting* Wayne E. Franits, 2004-01-01 The appealing genre paintings of great seventeenth century Dutch artists Vermeer Steen de Hooch Dou and others have long enjoyed tremendous popularity This comprehensive book explores the evolution of genre painting throughout the Dutch Golden Age beginning in the early 1600s and continuing through the opening years of the next century Wayne Franits a well known scholar of Dutch genre painting offers a wealth of information about these works as well as about seventeenth century Dutch culture its predilections and its prejudices The author approaches genre paintings from a variety of perspectives examining their reception among contemporary audiences and setting the works in their political cultural and economic contexts The works emerge as distinctly conventional images Franits shows as genre artists continually replicated specific styles motifs and a surprisingly restricted number of themes over the course of several generations Luxuriously illustrated and with a full representation of the major artists and the cities where genre painting flourished this book will delight students scholars and general readers alike Dutch Literature in the Age of Rembrandt Maria A. Schenkeveld-Van der Dussen, Maria A. Schenkeveld, 1991-01-01 Inleidend overzicht met name aan de hand van thema s van de Nederlandse literatuurgeschiedenis van de 17e eeuw Picturing Men and Women in the Dutch Golden Age Muizelaar Klaske, Klaske Muizelaar, Derek L. Phillips, 2003-01-01 Taking as their premiss the subjective experience of art the authors look at how paintings by Rembrandt Vermeer other masters were displayed comprehended in the 17th century The Early Baroque Era Curtis Price, 1993-11-09 **The Coffee Trader** David Liss, 2004-02-03 Amsterdam 1659 On the world s first commodities exchange fortunes are won and lost in an instant Miguel Lienzo a sharp witted trader in the city s close knit community of Portuguese Jews knows this only too well Once among the city s most envied merchants Miguel has suddenly lost everything Now impoverished and humiliated living in his younger brother s canal flooded basement Miguel must find a way to restore his wealth and reputation Miguel enters into a partnership with a seductive Dutchwoman who offers him one last chance at success a daring plot to corner the market of an astonishing new commodity called coffee To succeed Miguel must risk everything he values and face a powerful enemy who will stop at nothing to see him ruined Miguel will learn that among Amsterdam s ruthless businessmen betrayal lurks everywhere and even friends hide secret agendas *Dutch Literature in the Age of Rembrandt* Maria A. Schenkeveld, 1991-01-01 Dutch literature of the 17th century while not as

famous as other elements of the culture of the Dutch Golden Age deserves independent focus not only because of its own intrinsic worth but also because of the evidence of strong social concern that it presents and the light it sheds on other aspects of the Golden Age. Despite this, outside the Netherlands the literature has not been examined closely, undoubtedly because of the language barrier but also because there is no reasonable introduction to the material in English. This book fills that lacuna. Richly illustrated, it groups its subjects thematically: politics, religion, nature, daily life. Because Golden Age painting in particular is so famous, the book devotes a special chapter to the connection between poetry and painting. A concluding chapter shows the republic's function as a European literary trading center with brisk import and export. Included also are texts and translations of poems and extensive bibliographies for further study.

The Rise of Commercial Empires David Ormrod, 2003-03-13 A work of major importance for the economic history of both Europe and North America. Embodied Belief Willem Frijhoff, 2002

Creating Distinctions in Dutch Genre Painting Angela Ho, 2025-10-01 In the mid to late seventeenth century a number of Dutch painters created a new type of refined genre painting that was much admired by elite collectors. In this book Angela Ho uses the examples of Gerrit Dou, Gerard ter Borch and Frans van Mieris to show how this group of artists made creative use of repetition such as crafting virtuosic self-referential compositions around signature motifs or engaging esteemed predecessors in a competitive dialogue through emulation to project a distinctive artistic personality. The resulting paintings enabled purchasers and viewers to exercise their connoisseurial eye and claim membership in an exclusive circle of sophisticated enthusiasts, making creative repetition a successful strategy for both artists and viewers. Angela Ho shows how Dutch painters in the mid to late 17th century used repetition to project a distinctive artistic personality.

Pieter de Hooch Wayne E. Franits, 2006 In the hush of early morning a dutiful mother butters bread for her young son who patiently stands at her side. This splendid painting captures a trivial moment in a family's daily routine and makes it almost sacrosanct. *A Woman Preparing Bread and Butter for a Boy* was executed by the Dutch painter Pieter de Hooch 1629-1684 between 1661 and 1663. The J. Paul Getty Museum's canvas is one of the artist's many pictures depicting women and children engaged in daily activities. This book examines the painting in relation to the artist's life and work, exploring his stylistic development and his complex relationship to other painters in the Dutch Republic. The author places the subject matter of the painting within the broader context of seventeenth-century Dutch concepts of domesticity and child rearing and ties it to social and cultural developments in the Netherlands during the second half of the seventeenth century.

Representing the Republic John R. Short, 2001 *Representing the Republic* provides an intriguing account of the mapping of America from its colonial origins to 1900. The most significant maps and mapmakers are discussed in a survey that begins with the first European mappings of New Netherlands in the early seventeenth century and concludes with the Rand McNally atlases of the 1890s. Maps tell us a great deal about the transformation of America's national identity. Having undertaken extensive research in map collections including work with rare archival materials, prominent geographer

John Rennie Short provides an account of how maps have both embodied and reflected power conflict and territorial expansion over time opening a new perspective on North American history and geography *The Island at the Center of the World* Russell Shorto, 2005-04-12 In a riveting groundbreaking narrative Russell Shorto tells the story of New Netherland the Dutch colony which pre dated the Pilgrims and established ideals of tolerance and individual rights that shaped American history UPDATED EDITION WITH A NEW PREFACE AND POSTSCRIPT Astonishing A book that will permanently alter the way we regard our collective past The New York Times When the British wrested New Amsterdam from the Dutch in 1664 the truth about its thriving polyglot society began to disappear into myths about an island purchased for 24 dollars and a cartoonish peg legged governor But the story of the Dutch colony of New Netherland was merely lost not destroyed 12 000 pages of its records recently declared a national treasure are now being translated Russell Shorto draws on this remarkable archive in *The Island at the Center of the World* which has been hailed by The New York Times as a book that will permanently alter the way we regard our collective past The Dutch colony pre dated the original thirteen colonies yet it seems strikingly familiar Its capital was cosmopolitan and multi ethnic and its citizens valued free trade individual rights and religious freedom Their champion was a progressive young lawyer named Adriaen van der Donck who emerges in these pages as a forgotten American patriot and whose political vision brought him into conflict with Peter Stuyvesant the autocratic director of the Dutch colony The struggle between these two strong willed men laid the foundation for New York City and helped shape American culture *The Island at the Center of the World* uncovers a lost world and offers a surprising new perspective on our own **"Saints, Sinners, and Sisters"** Jane L. Carroll, 2017-07-05 A collection of original essays *Saints Sinners and Sisters* showcases the diverse questions currently being asked by gender scholars dealing with French Netherlandish and German art from the medieval and early modern periods Moving beyond the reclamation of personalities and oeuvres of lost female artists the contributors pose questions about gender and sex within specific historical contexts addressing such issues as intended audience use of the object and patronage These avenues of inquiry intersect with larger cultural questions concerning societal control of women The book's three sections *Saints Sinners and Sisters Wives Poets* are each preceded by a concise introductory essay detailing themes and offering reflective comparisons of theses and information In *Saints* contributors look at women who were positive exemplars used by society to uphold standards In the second section the essays focus on the power of women's sexuality The third section expands beyond the customary dichotomous division of the first two to examine women in diverse roles not widely studied as positions of women in those times This final section expands our definitions of women's responsibilities and realigns them historically it argues that women and thus gender need to be understood within a much broader historical context and beyond simplistic approaches sometimes superimposed by present day readers on past times This volume answers an acute need for research on the art of Northern Europe prior to the 20th century and highlights the possibilities of new directions in the field The effect of the new

scholarship presented here is to broaden the discursive field allowing fluidity of disciplinary boundaries resulting in a volume that is illuminating to historians of more than art alone

The Frigid Golden Age Dagomar Degroot, 2018-02-08 Explores the resilience of the Dutch Republic in the face of preindustrial climate change during the Little Ice Age *Politics, Gender, and the Arts* Ronald L. Dotterer, Susan Bowers, 1992 *Portraiture and Critical Reflections on Being* Euripides Altintzoglou, 2018-05-11 This book analyzes the philosophical origins of dualism in portraiture in Western culture during the Classical period through to contemporary modes of portraiture Dualism the separation of mind from body plays a central part in portraiture given that it supplies the fundamental framework for portraiture's determining problem and justification the visual construction of the subjectivity of the sitter which is invariably accounted for as ineffable entity or spirit that the artist magically captures Every artist that has engaged with portraiture has had to deal with these issues and therefore with the question of being and identity

Death of a Notary Donna Merwick, 2018-08-06 He was the only one He was the only man to have committed suicide in the town's seventeenth century history So begins Donna Merwick's fascinating tale of a Dutch notary who ended his life in his adopted community of Albany In a major feat of historical reconstruction she introduces us to Adriaen Janse van Ilpendam and the long forgotten world he inhabited in Holland's North American colony Her powerful narrative will make readers care for this quiet and studious man an ordinary settler for whom the clash of empires brought tragedy Like so many of his fellow countrymen Janse left his Dutch homeland as a young adult to try his luck in New Netherland After spending a few years on Manhattan Island he moved on to the fur trading settlement today known as Albany Merwick traces his journey to a new continent and re-creates the satisfying existence this respected burgher enjoyed with his wife in the bustling town As a notary Janse was in the author's words surrounded by stories those he listened to and recorded the hundreds he archived in a chest or trunk His familiar life was turned upside down by the British conquest of the colony Merwick recounts the changes brought about by the new rulers and imagines the despair Janse must have felt when English a language he had never learned replaced his native tongue in official transactions In any military adventure truth is alleged to be the first casualty Merwick offers a poignant reminder that the first casualties are in fact people As much a musing on what history obscures as what it reveals her book is a superior work by a master practitioner of her craft

The Enigmatic Realm of **Traders Artists Burghers A Cultural History Of Amsterdam In The 17th Century**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
