Rats Kate H. Pellham, 2015-11-27 What pet can play fetch learn its name and still ride around in your pocket It s a rat of course and if you re surprised by this you should take some time to learn more about these delightful animals Though wild rats have earned a bad rap for spreading illness and disease domestic rats are clean and friendly animals that can be loving and wonderful additions to any family If you have children that want pets but you re not ready for a dog a pet rat may be a great compromise These little critters are fabulous pets for kids requiring relatively simple care that even grade school children can understand and handle They re adaptable affectionate and tons of fun to watch and play with With a life span up to 5 years your child can have a long relationship with her animals Rats make great adult companions too of course Their minimal space requirements make them ideal for apartment dwellers and their self sufficiency and flexible sleeping habits mean they ll adapt readily to even busy schedules When they re cared for properly rats aren t prone to many illnesses

or health issues and they're affordable both up front and in the long term. Most of the challenges in rat care are caused by the animal's remarkable intelligence. The information in this book will teach you how to properly house these notorious escape artists. You'll also learn about the proper nutrition and care to keep your rats healthy in the long term and how to identify and fix problems if they do come up. Introductions to breeding, showing, and training your animals are also included if you want to take your rat ownership to the next level. Cuddly, smart, and entertaining, a pet rat combines the low time commitment of a small animal with the affection of a dog, and you may just find it's the perfect pet for you.

Bewitched Rattery Basic Pet Rat Owner's Guide Jennifer Holt, This book is designed to give you a basic understanding of pet rats and their care. From identifying an ethical breeder according to their practices, Gendering rats, Cages and Cleaning Bedding, Basic rat behavior, Bathing, Nutrition, Common Health Issues, and more. You will learn the foundations of rat care from information that is based on research and science-based facts, which breeders themselves often use.

Rats Angie Tracks, Rats are often misunderstood animals with many people viewing them as pests or even dangerous creatures. However, they make wonderful and affectionate pets for those willing to look past these misconceptions. In this chapter, we will introduce you to the world of pet rats, explain why they make excellent companions, and discuss some important things to know before bringing one into your home. Rats are highly intelligent and social animals known for their ability to bond with their owners. Unlike many other small pets, rats have the capacity to learn and interact in meaningful ways. They can be trained to perform tricks, respond to their names, and even use a litter box. This intelligence and trainability make rats unique among small mammals, providing a rewarding experience for those who enjoy engaging with their pets. In addition to their intelligence, rats are also affectionate. Many rat owners report that their pets develop strong bonds with them, often seeking attention and companionship. Rats are naturally social animals, which means they thrive in the company of other rats, though they also form close relationships with their human caretakers. When treated with kindness and respect, rats can be loving and loyal companions.

Rodent Keeping Angie Tracks, This book contains 5 books which are: Chinchillas, Tips for Keeping Your Pet Happy and Healthy, Gerbils, A Beginner's Guide to Raising Healthy and Happy Gerbils, Guinea Pigs, Essential Tips for Happy Healthy Guinea Pigs, Hamsters, The Guide to Proper Hamster Care, Rats, A Beginner's Guide to Caring for Pet Rats.
