Transatlantic Literary Exchanges, 1790-1870 Dr Julia M Wright, Dr Kevin Hutchings, 2013-05-28 Exploring the ways in which transatlantic relationships functioned in the nineteenth century to unsettle hierarchical models of gender race and national and cultural differences this collection demonstrates the generative potential of transatlantic studies to loosen demographic frames and challenge conveniently linear histories The contributors take up a rich and varied range of topics including Charlotte Smith's novelistic treatment of the American Revolution The Old Manor House Anna Jameson's counter discursive constructions of gender in a travelogue Felicia Hemans Herman Melville and the Queer Atlantic representations of indigenous religion and shamanism in British Romantic literary discourse the mid nineteenth century transatlantic abolitionist movement the transatlantic adventure novel the exchanges of transatlantic print culture facilitated by the Minerva Press British and Anglo American representations of Niagara Falls and Charles Brockden Brown's intervention in the literature of exploration Taken together the essays underscore the strategic power of the concept of the transatlantic to enable new perspectives on the politics of gender race and cultural difference as manifested in late eighteenth and nineteenth century Britain and North America

Transatlantic Literary Exchanges, 1790-1870 Kevin Douglas Hutchings, Julia M. Wright, 2011 Exploring the ways in which transatlantic relationships functioned in the nineteenth century to unsettle hierarchical models of gender race and national and cultural differences this collection takes up a rich range of authors and topics from Charlotte Smith and Charles Brockden Brown to Herman Melville and from representations of indigenous religion in British Romantic literary discourse to gender and transatlantic travel the abolitionist movement and the transatlantic adventure novel

Edinburgh Companion to Atlantic Literary Studies Leslie Eckel, 2016-09-20 New and original collection of scholarly essays examining the literary complexities of the Atlantic world system This Companion offers a critical overview of the diverse and dynamic field of Atlantic literary studies with contributions by distinguished scholars on a series of topics that define the area The essays focus on literature and culture from first contact to the present exploring fruitful Atlantic connections across space and time across national cultures and embracing literature culture and society This research collection proposes that the analysis of literature and culture does not depend solely upon geographical setting to uncover textual meaning Instead it offers Atlantic connections based around migration race gender and sexuality ecologies and other significant ideological crossovers in the Atlantic World The result is an exciting new critical map written by leading international researchers of a lively and expanding field

Key Features Offers an introduction to the growing field of Atlantic literary studies by showcasing current work engaged in debate around historical cultural and literary issues in the Atlantic World Includes 26 newly commissioned scholarly essays by leading experts in Atlantic literary studies Fuses breadth of historical knowledge with depth of literary scholarship Considers the full range of intercultural encounters around and across the Atlantic Ocean

Transatlantic Literary Ecologies Kevin Hutchings, John Miller, 2016-11-18 Opening a dialogue

between ecocriticism and transatlantic studies this collection shows how the two fields inform complement and complicate each other The editors situate the volume in its critical contexts by providing a detailed literary and historical overview of nineteenth century transatlantic socioenvironmental issues involving such topics as the contemporary fur and timber trades colonialism and agricultural improvement literary discourses on conservation and the consequences of industrial capitalism urbanization and urban environmental activism The chapters move from the broad to the particular offering insights into Romanticism s transatlantic discourses on nature and culture examining British Victorian representations of nature in light of their reception by American writers and readers providing in depth analyses of literary forms such as the adventure novel travel narratives and theological and scientific writings and bringing transatlantic and ecocritical perspectives to bear on classic works of nineteenth century American literature By opening a critical dialogue between these two vital areas of scholarship Transatlantic Literary Ecologies demonstrates some of the key ways in which Western environmental consciousness and associated literary practices arose in the context of transatlantic literary and cultural exchanges during the long nineteenth century Women and Literary Celebrity in the Nineteenth Century Brenda R. Weber,2016-02-11

Focusing on representations of women s literary celebrity in nineteenth century biographies autobiographical accounts periodicals and fiction Brenda R Weber examines the transatlantic cultural politics of visibility in relation to gender sex and the body Looking both at discursive patterns and specific Anglo American texts that foreground the figure of the successful woman writer Weber argues that authors such as Elizabeth Gaskell Fanny Fern Mary Cholmondeley Margaret Oliphant Elizabeth Robins Eliza Potter and Elizabeth Keckley helped create an intelligible category of the famous writer that used celebrity as a leveraging tool for altering perceptions about femininity and female identity Doing so Weber demonstrates involved an intricate gender sex negotiation that had ramifications for what it meant to be public professional intelligent and extraordinary Weber s persuasive account elucidates how Gaskell s biography of Charlotte Bront served simultaneously to support claims for Bront s genius and to diminish Bront s body in compensation for the magnitude of those claims thus serving as a touchstone for later representations of women s literary genius and celebrity Fanny Fern for example adapts Gaskell s maneuvers on behalf of Charlotte Bront to portray the weak woman s body becoming strong as it is made visible through and celebrated within the literary marketplace Throughout her study Weber analyzes the complex codes connected to transatlantic formations of gender sex the body and literary celebrity as women authors proactively resisted an intense backlash against their own success Handbook of Transatlantic North American Studies Julia Straub,2016-05-10

Transatlantic literary studies have provided important new perspectives on North American British and Irish literature They have led to a revision of literary history and the idea of a national literature They have changed the perception of the Anglo American literary market and its many processes of transatlantic production distribution reception and criticism Rather than dwelling on comparisons or engaging with the notion of influence transatlantic literary studies seek to understand North

American British and Irish literature as linked with each other by virtue of multi layered historical and cultural ties and pay special attention to the many refractions and mutual interferences that have characterized these traditions since colonial times This handbook brings together articles that summarize some of the crucial transatlantic concepts debates and topics The contributions contained in this volume examine periods in literary and cultural history literary movements individual authors as well as genres from a transatlantic perspective combining theoretical insight with textual analysis

Transatlantic Upper Canada Kevin Hutchings, 2020-08-20 Literature emerging from nineteenth century Upper Canada born of dramatic cultural and political collisions reveals much about the colony's history through its contrasting understandings of nature ecology deforestation agricultural development and land rights In the first detailed study of literary interactions between Indigenous people and colonial authorities in Upper Canada and Britain Kevin Hutchings analyzes the period's key figures and the central role that romanticism ecology and environment played in their writings Investigating the ties that bound Upper Canada and Great Britain together during the early nineteenth century Transatlantic Upper Canada demonstrates the existence of a cosmopolitan culture whose implications for the land and its people are still felt today The book examines the writings of Haudenosaunee leaders John Norton and John Brant and Anishinabeg authors Jane Johnston Schoolcraft Peter Jones and George Copway as well as European figures John Beverley Robinson John Strachan Anna Brownell Jameson and Sir Francis Bond Head Hutchings argues that despite their cultural differences many factors connected these writers including shared literary interests cross Atlantic journeys metropolitan experiences mutual acquaintance and engagement in ongoing dialogue over Indigenous territory and governance A close examination of relationships between peoples and their understandings of land Transatlantic Upper Canada creates a rich portrait of the nineteenth century British Atlantic world and the cultural and environmental consequences of colonialism and resistance

Teaching Transatlanticism Linda K Hughes, 2015-02-05 The 18 chapters in this book outline conceptual approaches to the field and provide practical resources for teaching ranging from ideas for individual class sessions to full syllabi and curricular frameworks

Transatlantic Transcendentalism Samantha C Harvey, 2016-06-30 This new study argues that Coleridge was so influential in America because he provided a framework for American intellectuals to address one of the great questions of European Romanticism what is the relationship between the Romantic triad of nature spirit

Alternate Histories and Nineteenth-Century Literature Ben Carver, 2017-10-17 This book provides the first thematic survey and analysis of nineteenth century writing that imagined outcomes that history might have produced Narratives of possible worlds and scenarios referred to here as alternate histories proliferated during the nineteenth century and clustered around pressing themes and emergent disciplines of knowledge This study examines accounts of undefeated Napoleons after Waterloo alternative genealogies of western civilization from antiquity to the nineteenth century present day the imagination of variant histories on other worlds lost world fictions that discovered improved relations between men and women and the

use of alternate history in America to reconceive the relationship between the New World and the Old The untimely imagination of other histories interrogated the impact of new techniques of knowledge on the nature of history itself This book sheds light on the history of speculative thought and the relationship between literature and the history of ideas in the nineteenth century
