The Hyphenateds Phil Snider, 2011-12-12 Though the emergent church was once viewed as a fringe movement with little to offer established congregations it is now seen as one of the central driving forces shaping the future of postmodern Christianity in North America As an increasing number of mainline communities wonder how the emergent church influences their own structures and practices this book brings together the perspectives of several of the most prominent Hyphenated Christians i.e. those with one foot in the emergent conversation and the other foot in the mainline church Presbymergents Anglimergents Luthermergents Methomergents etc With a passion for both mainline traditions and the emergent conversation Hyphenateds

The Theology of Dallas Willard Gary Black Jr.,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

Pentecostal and Postmodern Hermeneutics Bradley Truman Noel,2010-01-29 Pentecostal and Postmodern Hermeneutics seeks to explore the relationship between Pentecostal hermeneutics and Pentecostalism s ability to connect with and evangelize North American youth As a Postmodern ethos makes its presence increasingly felt in the Western world no Christian movement

should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of miracles and wonders Recent trends in Pentecostal hermeneutics however may actually make the task more difficult No historical movement has thrived in the long term that has not carefully considered the place of youth and young adults in the vision for the future While Pentecostalism has been at the forefront of youth ministry in the last several decades we must also connect Pentecostal academia with evangelism efforts among youth and young adults This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations

Beloved Community Hinlicky, Paul R., 2015-05-04 An original comprehensive system of theology especially apropos to the post Christendom North American context In this scholarly work Paul Hinlicky transcends the impasse between dogmatic and systematic theology by articulating and arguing a single cognitive claim God is the One who has determined to redeem the creation by the missions of his Son and Spirit Deploying an unusual Spirit Son Father trinitarian scheme Hinlicky treats the problem of the knowledge of God and the nature of the theological discipline and he proceeds to carefully develop his system of theology through expansive wideranging argumentation Each main part of his work includes discussion of the ecumenical convergences in doctrine gained over the last generation and exploration of interreligious dialogues especially with Judaism and Islam Throughout the book Hinlicky engages with other theologians particularly with Robert Jenson s Systematic Theology and concludes each major section with a discussion of an alternate perspective on the subject
