Translation As Problems And Solutions By Hassan Ghazala:

The Ambit of English/Arabic Translation. A Practical and Theoretical Guide for English/Arabic Translators Ali Alhaj, 2016-06 Libraries in the Arab world only have few books on translation that may instigate the thinking of students and even expert translators A book of this kind may act as a guide to adopt a practical approach to translation in terms of problems and solutions Therefore the book carries out the important and crucial task to prepare and provide students researchers and translators with a book which deals with the translation of many different kind of English and Arabic texts The layout of the material in this book is an outcome of the author s interest in translation which originates from his time as a student at Sudan University of Science of Technology His long experience as a teacher and a translator and recently as an assistant professor of English language and literature has enriched his thinking sharpened his pen and provided him with chances to have further insight in the field of translation Teachers of translators can use this book for lessons on theory or translation applications The practice texts provide vehicles for assignments and homework The texts can be translated into English and vice versa and can be compared with the other versions then Last but not least this book is a way into the fascinating world of linguistics and translation

Cultural Challenges in Translating Asian and Middle Eastern Texts Bita Naghmeh-Abbaspour, Marlina Jamal, By targeting intellectually curious and academically inclined readers Cultural Challenges in Translating Asian and Middle Eastern Texts illuminates the intricate relationship between language and culture in translation studies Specifically designed for postgraduate students and researchers interested in translation studies this volume dives deep into the cultural nuances of the Asian and Middle Eastern contexts areas that have mainly remained underexplored However its insights are not confined to these groups alone offering valuable perspectives for anyone intrigued by translation The book challenges conventional approaches with nine chapters of groundbreaking research and encourages a comprehensive understanding of how cultural distinctions influence translation Cultural Challenges in Translating Asian and Middle Eastern Texts not only fills a critical void in translation studies literature by focusing on non Western cultures but also empowers its readers to approach translation with a heightened awareness of cultural sensitivity

Translation as Problems and Solutions Hasan Said Ghazala, 1995 *Exploring Lexical Inaccuracy in Arabic-English Translation* Yasir Alenazi, 2022-10-31 This book presents a case study on lexical error analysis in the translation products of Arab English majors at the university level with important implications for Arabic speaking countries It provides detailed analyses and explanations of the main lexical areas that cause specific difficulties for these students while also identifying their potential sources The respective chapters discuss several areas related to the context of the research the field of SLA error analysis language transfer error taxonomies language learning language teaching and translation training The analyses and findings presented here contribute to the linguistic field by developing a comprehensive list of lexical error categories based on form content and origin of influence regarding translation products In addition the book sheds light on the

pedagogical aspects contributing to the enhancement of ESL EFL teaching in the Arab context as well as other contexts where English is taught as a foreign language The book will help educators and curriculum writers in designing materials and language researchers as a groundwork for their studies of L2 learners written products *Analysing English-Arabic Machine Translation* Zakaryia Almahasees, 2021-11-29 Machine Translation MT has become widely used throughout the world as a medium of communication between those who live in different countries and speak different languages However translation between distant languages constitutes a challenge for machines Therefore translation evaluation is poised to play a significant role in the process of designing and developing effective MT systems This book evaluates three prominent MT systems including Google Translate Microsoft Translator and Sakhr each of which provides translation between English and Arabic In the book Almahasees scrutinizes the capacity of the three systems in dealing with translation between English and Arabic in a large corpus taken from various domains including the United Nation UN the World Health Organization WHO the Arab League Petra News Agency reports and two literary texts The Old Man and the Sea and The Prophet The evaluation covers holistic analysis to assess the output of the three systems in terms of Translation Automation User Society TAUS adequacy and fluency scales The text also looks at error analysis to evaluate the systems output in terms of orthography lexis grammar and semantics at the entire text level and in terms of lexis grammar and semantics at the collocation level The research findings contained within this volume provide important feedback about the capabilities of the three MT systems with respect to English-Arabic translation and paves the way for further research on such an important topic This book will be of interest to scholars and students of translation studies and translation technology Maharah Tarjamah Muhamad Bisri Ihwan, 2025-10-25 Buku ini lahir dari kesadaran bahwa tarjamah bukan sekadar keterampilan teknis dalam mengalihkan makna dari satu bahasa ke bahasa lain melainkan juga sebuah kompetensi multidisipliner yang mencakup aspek linguistik budaya teknologi dan diplomasi global Dengan demikian tarjamah memiliki peran strategis dalam membangun jembatan antar peradaban serta memperkuat kontribusi dunia Arab dan Islam dalam percaturan global Di era digital yang ditandai oleh percepatan teknologi informasi kecerdasan buatan dan globalisasi komunikasi keterampilan tarjamah menuntut inovasi yang terus menerus Maharah tarjamah kini tidak hanya menjadi kebutuhan akademik tetapi juga kebutuhan praktis di berbagai sektor seperti ekonomi politik diplomasi media hingga industri kreatif Buku ini mencoba menghadirkan pembahasan yang relevan dengan konteks kekinian sekaligus menawarkan perspektif baru agar pembelajaran tarjamah mampu menghasilkan penerjemah yang adaptif profesional dan visioner **Translating Poetry into Poetry** Abdul Sahib Mehdi Ali, Ph.D., 2017-06-15 Author of Encyclopedia of Translation Terminology 2007 A Dictionary of Translation and Interpreting 2002 and A Linguistic Study of the Development of Scientific Vocabulary in Standard Arabic London KPI 1987 Intended for poetry translation scholars teachers students and practitioners this book provides an in depth look at poetry translation as an act of creative recreation Clearly written and amply illustrated it is designed to help readers understand the nature of poetry the

key elements of its language the various types of challenges frequently encountered in its translation and the procedures methods and strategies required to translate poems into poems It provides important and penetrating answers to questions such as What makes poetry translation a special case within literary translation Is poetry translatable Does poetry really get lost in translation How should a poem be translated What makes a good translation Is it preferable to translate a poem literally or should the translator endeavor to recreate the effect of the original poem as a poem in its own right in the target language Is poetry translation a matter of reproduction or an act of recreation Who translates poetry Should a poem be looked at as a renaissance painting Why is poetry translation referred to as the art of compromise
