Part I – General Information

PLANS FOR THE EXAMINATION

This examination has been developed in collaboration with Illinois Department of Public Health (IDPH) and the Trauma Nurse Specialist Career Foundation. Certification is granted only to candidates who demonstrate sufficient knowledge of the Illinois Trauma Nurse Specialist (TNS) Program as approved by IDPH.

TEST VALIDITY

The time limit for this examination is 2½ hours. This examination has been developed to meet strict standards of test fairness and validity to protect the health and safety of the public. A comparison of TNS exam subcompetencies has validated each question that appears in this study guide and all TNS exams that are administered on behalf of the Illinois Department of Public Health.

IDENTIFICATION

Each candidate must present a photo ID and a valid admission ticket to be admitted to any of these examinations. Only a valid Illinois Driver's License, Secretary of State ID card, or a current passport is acceptable as photographic identification. If the name on the photo ID does not match the name on the admission ticket, proof of legal name change also must be presented before the candidate can be admitted to an examination.

SPECIAL ACCOMMODATIONS

Any candidate who needs special accommodations for testing procedures because of a disabling condition must communicate that need in writing with the test administrator. No accommodations can be arranged on the day of a test.

ACCREDITING THE EXAMINATION

Candidates who take this examination will receive certification as a TNS from the Illinois Department of Public Health.

RENEWAL OF EXAMINATION

There are no "make-up" examinations. You must re-register for the next scheduled examination date.

RETESTING POLICY

Candidates who fail the test will receive information to help them identify content areas on which they need to improve their performance to pass on a subsequent attempt. Candidates must register to take the test again through one of the regional TNS exam committees throughout Illinois.
