Travel Softball Tryout Letters:

Air Corps News Letter ,1950 **Softball For Girls & Women** Gladys C. Meyer,1984-04-15 Softball for Girls Women is a complete handbook by a highly experienced player and coach covering training and conditioning styles equipment techniques pitching throwing catching fielding batting and base running putting a defense together offensive play organizing to play injuries This book also contains drills for developing and perfecting all aspects of the game making it invaluable for coaches and parents as well as players Mexican American Fastpitch Ben Chappell,2021-08-17 In Mexican American communities in the central United States the modern tradition of playing fastpitch softball has been passed from generation to generation This ethnic sporting practice is kept alive through annual tournaments the longest running of which were founded in the 1940s when softball was a ubiquitous form of recreation and the so called Mexican American generation born to immigrant parents was coming of age Carrying on with fastpitch into the second or third generation of players even as wider interest in the sport has waned these historically Mexican American tournaments now function as reunions that allow people to maintain ties to a shared past and to remember the decades of segregation when Mexican Americans citizenship was unfairly questioned In this multi sited ethnography Ben Chappell conveys the importance of fastpitch in the ordinary yearly life of Mexican American communities from Kansas City to Houston Traveling to tournaments he interviews players and fans strikes up conversations in the bleachers takes in the atmosphere in the heat of competition and combs through local and personal archives Recognizing fastpitch as a practice of cultural citizenship Chappell situates the sport within a history marked by migration marginalization solidarity and struggle through which Mexican Americans have navigated complex negotiations of cultural national and local identities Athletic Scholarships Conway Greene Publishing Company,1994 **Overcoming Parental Anxiety** Debra Kissen,Micah Ioffe,Hannah Romain,2022-12-01 All parents worry about their kids But for some parents worry and anxiety about their children can be constant and overwhelming In *Overcoming Parental Anxiety* three anxiety specialists team up to offer parents essential skills for rewiring their anxious brain using the core principles of neuroscience and practices from cognitive behavioral therapy CBT mindfulness and acceptance and commitment therapy ACT Using the targeted exercises in this book parents can stop worrying and start enjoying being a parent *A Game of Their Own* Jennifer Ring,2015-04-01 In 2010 twenty American women were selected to represent Team USA in the fourth Women s Baseball World Cup in Caracas Venezuela most Americans however had no idea such a team even existed *A Game of Their Own* chronicles the largely invisible history of women in baseball and offers an account of the 2010 Women s World Cup tournament Jennifer Ring includes oral histories of eleven members of the U S Women s National Team from the moment each player picked up a bat and ball as a young girl to her selection for Team USA Each story is unique but they share common themes that will resonate with young female players and fans alike facing skepticism and taunts from players and parents when taking the batter s box or the pitcher s mound self doubt the unceasing

pressure to switch to softball and eventual acceptance by their baseball teammates as they prove themselves as ballplayers. These racially, culturally, and economically diverse players from across the country have ignored the message that their love of the national pastime is wrong. Their stories come alive as they recount their battles and most memorable moments playing baseball, the joys of exceeding expectations and the pleasure of honing baseball skills and talent despite the lack of support. With exclusive interviews with players, coaches, and administrators, *A Game of Their Own* celebrates the U.S. Women's National Team and the excellence of its remarkable players. In response to the jeer "No girls allowed," these are powerful stories of optimism, feistiness, and staying true to oneself.

Painting the Corners
Bob Weintraub, 2017-10-31. Bob Weintraub's marvelous collection of baseball stories goes directly to the core of what the game does for us when we watch it being played on the field and shows how its heroes and villains can reach into our lives and remain a part of us for the rest of our days. The stories are told from various perspectives, including those of the player, manager, general manager, coach, scout, owner, writer, broadcaster, and fan. In *Knuckleball*, a manager is beside himself when he can't let his star knuckleball pitcher start the seventh game of the World Series because the only catcher he's ever had in the big leagues suddenly goes down with an injury. The team from Alcatraz in *The Way They Play Is Criminal* has a bag full of dirty tricks waiting to spring on its San Quentin rivals, and it uses them all. A father on a college tour with his daughter happens upon the very same autographed baseball he saw a friend catch in Fenway Park's bleachers thirty years earlier and learns in *The Autograph* how a twist of fate has brought the friend together with the player who hit it. In these and other stories now in paperback, Weintraub infuses baseball with humanity, originality, humor, and compassion and raises the game to a new level of understanding and love.

Gender and Genre in Sports Documentaries Zachary Ingle, David M. Sutera, 2013. Nonfiction films about sports have been around for decades, but the previously neglected subgenre of the documentary has become increasingly popular in the last several years. Despite such recent successes as *Senna*, *Undefeated*, and ESPN's *30 for 30* series, however, few scholarly articles have been published on these works. In *Gender and Genre in Sports Documentaries*, editors Zachary Ingle and David M. Sutera have assembled essays that examine the various aspects of this art form. Some address questions of gender and sexuality, specifically how masculinity and homosexuality are represented in sports documentaries. Others focus on the characteristics of these films, exploring aspects of aesthetics and narrative. In addition to chapters on basketball, football, baseball, boxing, tennis, and auto racing, this collection features marginalized sports like quad rugby, pro wrestling, live action role playing, LARPing, and bodybuilding. Some of the films described will be familiar to readers, such as *Murderball* and *Bigger Stronger Faster*; others are less well known yet important works worthy of scrutiny. Questions about gender, sexuality, and masculinity remain hot topics in sports discourse, and this collection tackles those subjects, making *Gender and Genre in Sports Documentaries* an intriguing read for scholars, students, and the general public alike.

Identity and Myth in Sports Documentaries Zachary Ingle, David M. Sutera, 2013 Nonfiction films about sports have been around for decades yet few scholarly articles have been published on these works In *Identity and Myth in Sports Documentaries* editors Zachary Ingle and David M Sutera have assembled a collection of essays that show how myth and identity national religious ethnic and racial are constructed perpetuated or questioned in documentaries produced in the United States France Australia Germany and Japan This collection is divided into three sections American Identity and Myth contains essays on consumerism religion in sports and post 9 11 America Race and Ethnicity examines the ways in which African American Mexican American and Jewish identity are portrayed in the documentaries under discussion Global Perspectives features films and TV series produced outside of the United States or those that provide perspectives on the international sport scene Spanning several decades the landmark documentaries discussed in this volume include *Hoop Dreams* *The Endless Summer* *The Life and Times of Hank Greenberg* *Olympia* and *Tokyo Olympiad* and address such subjects as baseball football basketball boxing soccer surfing and the Olympics The essays pose such questions as How are notions of the American dream involved in athletes aspirations How do media texts from Australia or France construct Australian and French identity respectively and How did filmmakers such as Leni Riefenstahl Kon Ichikawa and Bud Greenspan infuse their Olympic documentaries with national ideology despite being intended for an international audience By tackling these subjects *Identity and Myth in Sports Documentaries* is an intriguing read for scholars students and the general public alike
