Travel ,1927 *Giant Steps* Mary Blair Immel, 2017-04-25 As Giant Steps opens thirteen year old Bernie Epperson of Lafayette Indiana is wrestling with double standards placed on her compared with her brothers Soon her cousin awakens her to all the unfair restrictions women face and Bernie becomes a suffragette Meanwhile World War I begins Her family is devastated when her brothers become soldiers and Bernie must decide how to help the war effort and continue to fight for women s rights While this story is fictional the details of the suffrage movement and the war efforts of ordinary Americans are true Middle and high school students will relate to Bernie and her brothers dilemmas a century ago because they also face making decisions in a turbulent world while sifting through contradictory news and changing wisdom *The Fighting Soul* Ari Rabin-Havt, 2022-04-26 Rabin Havt offers an intimate portrait of his cranky boss writing about everything from Sanders s famous mittens to his love of picket lines and Motown songs to his distaste for the inane droning of cable news commentators to his prescient fear that Donald Trump was nuts and would upend democracy Maureen Dowd New York Times *The Fighting Soul* is an unforgettable chronicle of life on the road with Bernie Sanders and the first in depth portrait of this fiercely independent and famously private left wing firebrand As a close advisor and deputy campaign manager on Sanders s most recent presidential campaign the tireless Ari Rabin Havt spent more hours between 2017 and 2020 with the Vermont senator than anyone else *The Fighting Soul* is a behind the scenes account of Sanders s run including his heart attack in Las Vegas his notorious debate encounter with fellow progressive Elizabeth Warren and a momentous private conversation between Sanders and Barack Obama Revelatory and heartfelt *The Fighting Soul* depicts the rare politician motivated by principle not power **Town & Country** ,1926 **Heretic's Heart** Margot Adler, 2013-05-28 Starting in 1964 writes Margot Adler in this dazzling memoir I found myself mysteriously at the center of extraordinary events Now a correspondent for National Public Radio Adler was a young woman determined to be taken seriously and to be an agent of change on her own terms free from dogma and authoritarian constraints From campus activism at the University of California at Berkeley to civil rights work in Mississippi from antiwar protests to observing the socialist revolution in Cuba she found those chances in the 1960s *Heretic's Heart* illuminates the events ideas passions and ecstatic commitments of the decade like no other memoir At the book s center is the powerful and unique correspondence between Adler then an antiwar activist at Berkeley and a young American soldier fighting in Vietnam The correspondence begins when Adler reads a letter

the infantryman has written to a Berkeley newspaper I've heard rumors that there are people back in the world who don't believe this war should be I'm not positive of this though cause it seems to me that if enough of them told the right people in the right way then something might be done about it You see while you're discussing it amongst each other being beat getting in bed with dark haired artists some people here are dying for lighting a cigarette at night Heretic's Heart also explores Adler's attempt to come to terms with her singular legacy as the only grandchild of Alfred Adler collaborator of Freud and founder of Individual Psychology and as the daughter of a forceful beauty who bequeaths her spunk and adventurousness to her daughter but whose overpowering personality forces Adler to strike out on her own Adler's memoir marks an initiatory journey from spirit through politics and revolution back to spirit again Revealing funny joyful and often wise Heretic's Heart will restore the spirit of the 1960s the passion the confusion the sense of social transformation and limitless possibility and the ecstatic feeling that the world is on the cusp of change **Motion Picture Herald** ,1935

New York Star ,1925 *LIFE* ,1949-03-14 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use
