The Rogue's Countess - A Reckless Rockwoods Novel Monica Burns, 2021-01-27 When passion flares between them two indiscretions a Countess does make A Reckless Rockwood Constance plays matchmaker but at what cost to her marriage Experience taught Gideon Lethbridge Earl of Chelmsford women will sell themselves for money and social position When a passionate interlude in a dark garden sets Gideon s heart on fire he s furious to learn his lover is an American heiress who bought herself a title Despite his anger at being hoodwinked by Viscountess Helstone she s haunted Gideon s dreams for the past five years Now he s planning her seduction and he intends to make Phoebe surrender to one wicked sinful moment of pleasure after another Five years ago despair and a need for solace sent Phoebe Viscountess Helstone into the arms of a stranger for one fiery moment of indiscretion Now penniless Phoebe is the anonymous author of the Currer Chronicles mocking the Marlborough Set When Phoebe comes face to face with the man she s never forgotten she s horrified to learn she s ridiculed him mercilessly in her satirical serial With Gideon determined to seduce her Phoebe is desperate to keep her writing a secret while trying not to admit she s been in love with Gideon for the past five years Like most Reckless Rockwoods the an dara sealladh is a part of who Constance Blakemore Countess of Lyndham is Although her husband Lucien insists Constance must stop using her psychic abilities to meddle in the affairs of others Despite knowing Lucien s feelings in the matter she cannot abandon a friend in need But helping a friend puts Constance s marriage and happiness in jeopardy as well By ignoring Lucien s request Constance might lose the one thing that will destroy her Lucien s love This book opens with an unintentional indiscretion some readers may find to be an objectionable trope The incident is this one scene only and is available to read in the Look Inside sample The Reckless Rockwoods Novels prominently feature original members of the Rockwood family as they meddle in their friends lives to ensure they find a happy ending Constance Rockwood Blakemore Countess of Lyndham and her husband Lucien are featured in The Rogue s Countess OTHER BOOKS IN THE RECKLESS ROCKWOODS SERIES and NOVELS Book 1 Obsession Sebastian and Helen Book 2 Dangerous Constance and Lucien Book 3 The Highlander s Woman Patience and Julian Scottish setting Book 4 Redemption Rhea and Percy Book 5 The Beastly Earl Louisa and Ewan Scottish setting A Reckless Rockwoods Novel Book 1 The Rogue s Offer Reluctant Rogues Ophelia and Mathias featuring Louisa Rockwood Colquhoun Countess of Argaty A Reckless Rockwoods Novel Book 2 The Rogue s Countess Reluctant Rogues Gideon and Phoebe featuring Constance Rockwood Blakemore Countess of Lyndham

Apparitions, Daemons, and Emanations Charles Freeland, 2024-03-01 The book presents a new study of the visual arts and poetry in the work of three well known French writers and artists from the mid twentieth century Georges Bataille Pierre Klossowski and Henri Michaux Each was fiercely independent belonging to no school academy or political persuasion What do they have in common While the book s three central essays do not initially set out to establish comparisons between these writers common ground emerges a shared combat against culture a shared non representational artistic practice Their

writing poetry and painting offer not a portrayal of things or ideas but rather an emanation or apparition of the unknown and the infinite one charged with deepening art's relation to life

THE NASB: Preserving Truth or Compromising Accuracy? Edward D. Andrews, 2023-10-22 In an era where the sanctity of God's Word is under relentless scrutiny and reinterpretation the New American Standard Bible NASB has long stood as a bastion of literal translation philosophy But has the latest 2020 edition lived up to its celebrated heritage of formal equivalence or has it compromised on accuracy for the sake of readability and modern relevance THE NASB Preserving Truth or Compromising Accuracy delves deeply into these pressing questions This book meticulously examines the shifts in translation philosophy from the respected NASB 1995 Edition to the newer 2020 version With a concrete foundation in the historical grammatical method of interpretation the book unpacks the significance of every word and phrase revealing the profound responsibility carried by Bible translators The book opens with a thorough history of the NASB editions setting the stage for a detailed comparison It scrutinizes the 2020 Edition's leanings toward dynamic equivalence a concerning trend that could lead to more interpretive translations in future NASB editions Utilizing key passages for comparative analysis the book evaluates how these changes might affect serious Bible study and theological understanding Moreover the book exposes misleading shifts in gender language and questions the continued inclusion of Textus Receptus readings in the NASB which may compromise the integrity of the original texts It also debunks fallacies about Bible translation and readership advocated by scholars like Leland Ryken advocating instead for a return to a translation that adheres closely to the original languages of the Scriptures This comprehensive critique serves as a wake up call for every believer who values the inerrant word of God It emphasizes that translators should aim for nothing less than absolute faithfulness to the original texts upholding the heavy responsibility of delivering God's truth to humanity uncompromised and unaltered Prepare to embark on a journey that will deepen your appreciation for the magnitude of what is truly at stake in Bible translation and why settling for anything less than a literal translation can imperil the very truth it aims to share

Ambivalent Miracles Nancy D. Wadsworth, 2014-02-24 Over the past three decades American evangelical Christians have undergone unexpected progressive shifts in the area of race relations culminating in a national movement that advocates racial integration and equality in evangelical communities The movement which seeks to build cross racial relationships among evangelicals has meant challenging well established paradigms of church growth that built many megachurch empires While evangelical racial change ERC efforts have never been easy and their reception has been mixed they have produced meaningful transformation in religious communities Although the movement as a whole encompasses a broad range of political views many participants are interested in addressing race related political issues that impact their members such as immigration law enforcement and public education policy Ambivalent Miracles traces the rise and ongoing evolution of evangelical racial change efforts within the historical political and cultural contexts that have shaped them Nancy D Wadsworth argues that the stunning breakthroughs this movement has achieved its curious political

ambivalence and its internal tensions are products of a complex cultural politics constructed at the intersection of U S racial and religious history and the meaning making practices of conservative evangelicalism Employing methods from the emerging field of political ethnography Wadsworth draws from a decade s worth of interviews and participant observation in ERC settings textual analysis and survey research as well as a three year case study to provide the first exhaustive treatment of ERC efforts in political science A 2014 CHOICE Outstanding Academic Title **Excellence vs. Equality** Allan C.

Ornstein,2015-11-06 Excellence vs Equality Can Society Achieve Both Goals explores the issues faced by societies attempting to preserve democratic ideals and the common good in an era of incommensurate wealth and opportunity As differences in advantage and ability affect the relationships between institutions and the people who comprise them the book argues that political and social compromise is needed to prevent economic inequality from threatening the well being and mobility of the less able and less fortunate Topics include globalization technology innovation talent and meritocracy higher education big business labor unions and social justice within educational and workplace settings The author raises perennial and ever prescient questions regarding how to balance excellence and equality and how to reduce inequality around the world

Wealth Vs. Work Allan C. Ornstein,2012-01-05 Wealth vs Work How 1% Victimize 99% is about the vanishing American dream growing inequality inAmerica shrinking and struggling middle class plight of labor and unions economic decline of the nation and a broken and unstable world surrounding theU S Education is no longer the great equalizer We are heading toward a world where inherited privilege trumps excellence and meritocracy Carried far enough it means the end of striving and the American dream Few Americans realize or want to admit it Since recorded history workers have been victimized by the rich and super rich treated as fungible and disposable The early warlords and monarchs have been replaced by the titans of industry and masters of the universe on Wall Street The slaves peasants and serfs have been replaced by miners factory workers and service sector workers The GM model of the 1950s and 1960s that permitted labor to become middle class has been replaced by the Wal Mart modelcharacterized by low pay and minimal benefits By 2025 the economic output of China and India may likely each exceed the U S Moreover the U S work force is being increasingly displaced by technology and outsourcing But we are supposed to be the lucky ones By historical and geographical accident the U S has been spared most of the worlds poverty and misery Today however the U S is heading towards a financial oligarchymuch worse than the aristocratic old world that our Founding Fathers feared and tried to avoid Yes the U S had a revolution but in fact it has a new and more powerful elite because the economic pie has expanded several thousand fold since the yeoman farmers status was compared to the plantation owner Right now the top 1 percent in the U S own nearly 40 percent of the nations wealth moreover their investments capital gains and dividends are taxed at a lower rate than workers salaries Like all great civilizations that have declined before us we are a nation that needs to re examine its ideals and institutions The Contested Homeland David Maciel,Erlinda Gonzales-Berry,2000 Studies territorial and rural New Mexico in the nineteenth

century the struggle for statehood Nuevomexicano politics immigration urban issues in the twentieth century the role of Spanish in education ethnic identity and the Chicano movement **Surviving Your Bar/Bat Mitzvah** Cantor Matt Axelrod,2012-08-16 Provides a practical humorous guide for Jewish students and their families as they prepare for their big day helping students and families not just survive but understand and enjoy this important Jewish milestone Mark the Messiah's Gospel ,2019-03-26 Mark the Messiah s Gospel is just one of the commentaries that Carroll has written on the four gospels Matthew the Hebrew Gospel Luke the Lord s Gospel and John the Jewish Gospel Mark identified as John Mark in the New Testament was writing through the inspiration of Simon Peter who had walked with the very Son of God and was the leader of the disciples Mark was writing to the Jewish and Gentile believers in Rome His gospel is the shortest of the four gospels and presents Jesus as Israel s Messiah in a fast paced action packed style **Blind Ambition** John W. Dean,2016-12-20 A six month New York Times bestseller Not only the best Watergate book but a very good book indeed The Sunday Times As White House counsel to Richard Nixon a young John W Dean was one of the primary players in the Watergate scandal and ultimately became the government s key witness in the investigations that ended the Nixon presidency After the scandal subsided Dean rebuilt his career first in business and then as a bestselling author and lecturer But while the events were still fresh in his mind he wrote this remarkable memoir about the operations of the Nixon White House and the crisis that led to the president s resignation Called fascinating by Commentary which noted that there can be little doubt of Dean s memory or his candor Blind Ambition offers an insider s view of the deceptions and machinations that brought down an administration and changed the American people s view of politics and power It also contains Dean s own unsparing reflections on the personal demons that drove him to participate in the sordid affair Upon its original publication Kirkus Reviews hailed it the flip side of All the President s Men a document a minefield and prime entertainment Today Dean is a respected and outspoken advocate for transparency and ethics in government and the bestselling author of such books as The Nixon Defense Worse Than Watergate and Conservatives Without Conscience Here in Blind Ambition he paints a candid picture of the sickening moral bankruptcy which permeated the White House and to which he contributed His memory of who said what and to whom is astounding Foreign Affairs
