Excalibur awaits you With Full Circle as a guide we as humans and individuals can realize our dreams by allowing magick to be part of us Aaron hints at some of the early beginning days of spirituality and gives us some history of mystics within society yesterday and today As well as providing insightful contrasts between concepts like Meditation Science and Religion and Ritual and Ceremony Aaron walks us step by step through the process of developing a strong fundamental foundation for practicing any type of spirituality or tradition Exercises in each chapter allow for us to apply the information creating a more personal and deeper understanding of the material Aaron's passion for his work is quite obvious With a style of communication that feels like he's sitting right with you Aaron shows us how to open our eyes to the world around us with absolute comfort This fascinating work is indeed a full circle of spiritual insight and intriguing concepts that will keep you searching for more and inspire you to make the changes in your life that have only been waiting for You **Full Circle Parenting** Jimmy Scroggins, Kristin Scroggins, 2021-04-20 Parenting isn't for wimps It's not just the routines schedules discipline and heartaches it's the hard conversations One of the greatest challenges of parenting is navigating the crucial conversations that we must have with our kids Jimmy and Kristin Scroggins have been married for more than twenty five years and have eight children Jimmy pastors a church in South Florida They've had plenty of crucial conversations in their lives not only with their own children but with parents who are scared and seeking wisdom They know they have to find a way to have those tough conversations from a biblical perspective and a distinctly Christian worldview but they don't know how If you're like these parents Full Circle Parenting was written for you Using the 3 Circles gospel tool God's design brokenness gospel Jimmy and Kristin will give you a conversation map to work through any tough conversations you have with your children and will show you how it works with the following topics and more Gender Sexuality and Marriage Technology Alcohol and Substance Abuse Bitterness Forgiveness and Restoration Friendship and Mean Kids *Story Work/Story Play* Mary LaMont, 2023-05-02 A central assumption of narrative spirituality is that the act of retelling the story of episodes of our lives can help us better see the larger Guiding Story that God dreams for us When I can see my Guiding Story more clearly I am better able to handle crisis and transition and better able to see my true purpose Story Work Story Play lays out a four door method of spirituality that invites participants to explore their Guiding Story through four doors that correspond to the four parts of any story a main character a problem to solve the power needed to solve it and the action taken by the main character The chapter for each of these four doors provides theological psychological and scriptural foundations for the narrative method and includes up to ten to fifteen story work story play exercises the reader can use to practice the method Each chapter also includes profile stories of real people who have discovered layers of their own Guiding

Stories The book ends each chapter with a Guided Visualization The book s final chapter explains how members of a narrative circle can use the narrative spirituality tools of this book to discern each one s own unique Guiding Story
