approach that presents encouragement and hope for the struggling single He gives positive motivation that will promote strength and tenacity for a commitment to single celibacy Matthew Adrian Clark,2025-07-23 I have been a Minister with Churches of Christ in Australia since 1979 For most of that period my sermon presentation has followed the Revised Common Lectionary Each week the local church would publish a church paper to communicate with the membership For many of those years I would submit an Introduction to or a summary of the sermon I was presenting that day I felt that this would help people engage with the teaching for a little longer than the 20 plus minutes on Sunday morning This collection of summaries from Matthew s Gospel is the first of what I hope will be a series of reflections on the Gospels based on those week by week reflections Not every passage from the gospel is covered because I have not prepared a sermon on every passage Even some of these have been prepared using the magic of Artificial Intelligence I hope that you will find this collection helpful as a daily reading companion a Bible Study tool or just a challenging read as you engage with the Gospel of Matthew **ECHOES OF ANCIENT AFRICAN VALUES** Joseph A. Bailey, II, M.D., F.A.C.S.,2005-07-18 Ancient Africans perhaps around 5500 BC established a tradition based upon truth goodness beauty and other immaterial and intangible aspects of things of worth Believing all of God s creations were forever linked they focused on having good relations with and behaviors toward fellow human beings and with nature both for the purpose of reaching a heaven afterlife Out of these concepts arose the sense of community including the practice of no person being left behind Echoes of Ancient African Values discusses who Ancient Africans were as a people their genius and creative ways of thinking their philosophical and spiritual foundations and their world shaping achievements Unfortunately peoples throughout the world have failed to realize or acknowledge the fact that Ancient Africans have produced the most brilliance civilization and culture the world has ever known This applies whether the measure is by significance greatness or numbers The fashioning of such brilliance inside high morals not only transcended space and time but also designed sublime echoes A major premise of this book is that these echoes were extremely instrumental in enabling Ancient African slaves to survive their hellish situation as well as having ongoingly contributed to the recovery of Black Americans from the effects of slavery Numerous examples are given Otherwise what is stressed to all peoples in the world is that Ancient African Values contain workable answers for solving every type of problem concerning humanity **Treasures of truth for busy lives, collected and compiled by C.
