ISAIAH MACWEALTH

Understanding The Accuser:

Understanding the Accuser David Alsobrook, 1999 When it comes to engaging our adversary Christians can fall into two traps being obsessed with the enemy or totally ignoring him We need balance This book will help you recognize the devil's cunning attacks and show you how to confront the accuser of the brethren in the power Christ gives us Understanding Matthew - Using Semitic Bible Study Methods Michael Harvey Koplitz, This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua's day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture's meaning is as deep as God and God is infinite COURTFARE OR WARFARE ISIAH MACWEALTH, Satan does not only fight in warfare he fights in courtfare He cannot steal kill or destroy if he does not have jurisdiction to do so He cannot take from you what he does not have legal authorization to take Some believers today are frustrated because they do not know this truth There are courts in heaven and the judgements in those courts determine what happens on the earth Both believers and Satan have access to these courts to bring forward cases to be adjudicated You only prevail in spiritual warfare when you have a ruling in your favour from the court This revelatory book will show you how the court system in heaven operates and how by repentance petition persistence and the help of our Senior Advocate a believer can obtain favourable judgment in the courts of heaven I believe that after reading this book the devil will no longer have undue advantage over you as you will be equipped with the revelation you need to prevail against him in courtfare

COURTFARE (ADVANCE PRAYER SERIES) ISIAH MACWEALTH, Day and night our adversary the Devil the accuser of the brethren accuses us before the Courts of Heaven and seeks to obtain injunctions to stop us from receiving answer to prayers and hinder us from walking in the fullness of God's purpose for our lives Today even as you read this book he is still praying the court of heaven for an injunction against your life career health or business And just like we see in the Bible regarding Job he often times succeeds in his quest against us because we have not learnt how to approach the court ourselves and squash his case is Courtfare What you have in your hands right now is an arsenal prepared to equip you as that prayer warrior who prevails in prayer against all odds and machinations of the enemy through Courtfare In the six parts of this book you would learn about Courtfare vs warfare Dress Code for Entering the Courts of Heaven Obtaining a Change of Garment from the Courts of Heaven Breaking Strongholds from the Court of Heaven Redeeming Your Lineage from the Courts of Heaven Unlocking your Destiny from the Courts of Heaven e revelation contained in this book will surely guarantee you victory in all spheres of your life So get ready for a new level in your prayer life as you gear up to enter into the court of heaven to obtain and enforce your victory today Day and night our adversary the Devil the accuser of the brethren accuses us

before the Courts of Heaven and seeks to obtain injunctions to stop us from receiving answer to prayers and hinder us from walking in the fullness of God's purpose for our lives Today even as you read this book he is still praying the court of heaven for an injunction against your life career health or business And just like we see in the Bible regarding Job he often times succeeds in his quest against us because we have not learnt how to approach the court ourselves and squash his case is Courtfare What you have in your hands right now is an arsenal prepared to equip you as that prayer warrior who prevails in prayer against all odds and machinations of the enemy through Courtfare In the six parts of this book you would learn about Courtfare vs warfare Dress Code for Entering the Courts of Heaven Obtaining a Change of Garment from the Courts of Heaven Breaking Strongholds from the Court of Heaven Redeeming Your Lineage from the Courts of Heaven Unlocking your Destiny from the Courts of Heaven e revelation contained in this book will surely guarantee you victory in all spheres of your life So get ready for a new level in your prayer life as you gear up to enter into the court of heaven to obtain and enforce your victory today **A Shared Journey Visions** Wanda Shaw,2012-05-14 There is no available information at this time

Towards Understanding the Qur'ān: Sūrahs 22-24 Syed Abul 'Ala Maudoodi,1988 An English rendering of Tafhīm al Qur'ān Syed Maudoodi's Urdu translation and commentary on Islam's holy book The commentary includes historical accounts philological discussions and investigations into the social political economic and legal teachings in the Qur'ān Each Sūrah is prefaced by a description of its background and themes **Understanding the Difficult Words of Jesus** David Bivin,Roy Blizzard,1994-10-01 Understanding the Difficult Words of Jesus This book will stir the pot of biblical scholarship for years to come It will force many to rethink the origin of the Gospels and the Jewishness of Jesus Some may disagree with Bivin and Blizzard at certain points No one however can ignore the soundness of their conclusion Jesus is a Hebrew **History of the Reformation in the Sixteenth Century and in the Time of Calvin (Complete)** Jean Henri Merle d'Aubigne,1849-01-01 Facts alone do not constitute the whole of history any more than the members of the body form the complete man There is a soul in history as well as in the body and it is this which generates vivifies and links the facts together so that they all combine to the same end The instant we begin to treat of Geneva which through the ministry of Calvin was to become the most powerful centre of Reform in the sixteenth century one question starts up before us What was the soul of the Reformation of Geneva Truly salvation by faith in Christ who died to save truly the renewal of the heart by the word and the Spirit of God But side by side with these supreme elements that are found in all the Reformations we meet with secondary elements that have existed in one country and not in another What we discover at Geneva may possibly deserve to fix the attention of men in our own days the characteristic element of the Genevese Reform is liberty Three great movements were carried out in this city during the first half of the sixteenth century The first was the conquest of independence the second the conquest of faith the third the renovation and organisation of the Church Berthelier Farel and Calvin are the three heroes of these three epics Each of these different movements was necessary The bishop of Geneva was a temporal prince like the

bishop of Rome it was difficult to deprive the bishop of his pastoral staff unless he were first deprived of his sword The necessity of liberty for the Gospel and of the Gospel for liberty is now acknowledged by all thoughtful men but it was proclaimed by the history of Geneva three centuries ago But it may be said a history of the Reformation has no concern with the secular political and social element I have been reproached with not putting this sufficiently forward in the history of the Reformation of Germany where it had relatively but little importance I may perhaps be reproached with dwelling on it too much in the Reformation of Geneva where it holds a prominent place It is a hard matter to please all tastes the safest course is to be guided by the truth of principles and not by the exigencies of individuals Is it my fault if an epoch possesses its characteristic features if it is impossible to keep back the secular without wronging the spiritual element To cut history in two is to distort it In the Reform of Geneva and especially in the constitution of its church the element of liberty predominates more than in the Reforms of other countries We cannot know the reason of this unless we study the movement which gave birth to that Reform The history of the political emancipation of Geneva is interesting of itself liberty it has been said has never been common in the world it has not flourished in all countries or in all climates and the periods when a people struggles justly for liberty are the privileged epochs of history One such epoch occurred at the commencement of modern times but strange to say it is almost in Geneva alone that the struggles for liberty make the earlier decades of the sixteenth century a privileged time It is in this small republic that we find men remarkable for their devotion to liberty for their attachment to law for the boldness of their thoughts the firmness of their character and the strength of their energy In the sixteenth century after a repose of some hundreds of years humanity having recovered its powers like a field that had long lain fallow displayed almost everywhere the marvels of the most luxuriant vegetation Geneva is indeed the smallest theatre of this extraordinary fermentation but it was not the least in heroism and grandeur and on that ground alone it deserves attention
