Understanding the Arab-Israeli Conflict Michael Rydelnik, 2008-09-01 Michael Rydelnik professor of Jewish studies at Moody Bible Institute goes beyond the media images for an in depth biblically grounded look at the crisis that never ends the conflict between the Israelis and the Arabs Dr Rydelnik explores such questions as Will the violence ever stop Who really has a right to the land How did it all start and where will it all end This revised and updated edition includes a new chapter that looks at the events that brought the end to the Terror War in 2004 discusses the change of leadership in the Israeli government and examines the conflict within the Palestinian government following the surprise election victory of the terrorist group Hamas

Until He Comes Simon Thielemann, 2025-10-17 Establish your hearts for the coming of the Lord is at hand James 5:8 Contrary to popular belief the primary purpose of studying the end times is not to gain knowledge of what will come but to gain knowledge of Jesus We study biblical prophecy not to predict the future but to understand God's heart and His purposes and to be transformed into the image of Christ To love the Lord is to love His return At this hour Jesus is drawing the bride close to His heart emphasizing the hope of His coming and equipping her for glory and crisis In short God wants a people prepared This comprehensive book will help you anchor your faith in the eternal truth of God's Word teaching you how to apply it to your life It also includes extensive study material and practical invitations to deepen your relationship with God Gain biblical insight about how to live in these last days Pursue greater intimacy with the Father Son and the Holy Spirit Ignite your passion for the Word of God Refine your theology of covenants grace kingdom and prophetic fulfillment Align with God's plans and purposes for Israel and the church Develop a deep longing for Jesus return and become one of His end time messengers Prepare for the coming King

American Christians and Islam Thomas S. Kidd, 2018-06-05 In the wake of the September 11 terrorist attacks many of America's Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other Christian conservatives who wish to present a more appealing message to the world's Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today's evangelicals have deep roots in American history Tracing Islam's role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation's founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals' fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians' anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America's immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals' unwillingness to acknowledge Islam's theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to

blame for the failure of evangelism in the Muslim world American Christians and Islam is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today The Case for Zionism Thomas Ice,2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day **Understanding the Arab-Israeli Conflict** Michael Rydelnik,2007-10 The authors place the Arab Israeli conflict in its biblical historical and prophetic contexts and maintains that the true story behind the crisis has not been reported by the media Israel, the Church, and the Middle East Darrell L. Bock,Mitch Glaser,2018-04-24 The relationship between the church and Israel has been the source of passionate debate among Christians throughout much of church history In recent years the traditional pro Israel stance of evangelicals has come under fire by those who support the Palestinian cause calling for a new perspective and more nuanced approach by Christians who believe that the land of Israel belongs to the Jewish people by virtue of God s covenants and promises Israel the Church and the Middle East challenges the supersessionist drift of the modern church showing that God retains a plan and purpose for the Jewish people while also addressing a number of the divisive issues raised by authors critical both of Israel and of those who affirm Israel s right to the land The book explores the hermeneutics and wider effects of the conflict such as the growing antipathy within the church toward the evangelization of the Jewish people It provides readers with an objective and interdisciplinary treatment which is irenic and respectful in tone The book is directed toward pastors global Christian leaders theological students and well read lay Christians who are actively seeking guidance and resources regarding the Middle East conflict The contributors represent a broad evangelical spectrum Making Australian Foreign Policy on Israel-Palestine Eulalia Han,Halim Rane,2013-02-01 Based on extensive research of Australian media coverage public opinion interest groups as well as in depth interviews with current and former diplomats and politicians this book provides a unique insight into the policy making process in regards to one of the world s most enduring and volatile dilemmas Making Australian Foreign Policy on Israel Palestine is a must read for anyone concerned about how social forces influence policy making and the impact this has on Australia s response to world affairs Islamic Studies Series Volume 13 **Life from the Dead** John D. Garr,2014-06-10 Life from the Dead is an in depth study of

the incredible endurance of the Jewish people in history despite ongoing systematic and unrelenting efforts to effect their genocide The survival of the Jewish people is not however merely a testimony to their own resiliency or ingenuity It is a testimony to the utter faithfulness of their God to maintain the integrity of the covenant he made with Abraham Isaac and Jacob Your faith in God will be enriched as you read these dramatic subjects Daily Prayer As Good as Dead Can These Bones Live The God Wrestler From the Pit to the Palace A Resurrected Nation By My Spirit Says the Lord Mashiach Life from the Dead The God of Israel is the ruler over death and life As such he can heal the sick and restore the terminally ill to life and in the end he will keep faith with the righteous who are in the dust of the earth by bringing them forth to life from the dead in the resurrection Life from the Dead will build your faith in God's power to triumph over death and to bring abundant life to all those who put their trust in him
