Understanding The Book Of Revelation

Barry Brinson

Understanding The Book Of Revelation:

Understanding the Book of Revelation Terri Lewis, 2010-09 Understanding the Book of Revelation is an exposition of the Book of Revelation simply written explaining the main symbols according to the findings of most scholars on each topic. It is not weighted down with speculation and fringe concepts but defines the meanings that are most often held by Biblical scholars. This book takes you step by step through the Book of Revelation expounding on each issue so that you can uncover for yourself what will happen during these exciting times. It will tell you if the perspective is from heaven or earth if the event is mentioned chronologically or if something yet in the future is being explained. No longer do you have to be intimidated by the Book of Revelation. Now you can enjoy the blessings promised to those who read and hear its message. This is a book for people of all ages and denominations who are interested in understanding the Book of Revelation. Dr. Terri Lewis began seriously studying God's Word after she attended many hours of home Bible studies in the 70's and 80's and still desired more. Delving deeper into the Word alone and with friends and attending college Bible courses whenever they were available, she realized her passion for God's Word. Terri taught Bible in the Christian Schools where she worked and later received a Doctorate Degree in Christian Education.

All Things New Tim Snider, 2011-10-05 All Things New is not just another book on Bible prophecy. Are we the terminal generation? Are we the generation of mankind that will see the fulfillment of its prophecies? This book answers those questions. The book of Revelation needs to be engaged more now than in any era of human history. However, many recent books on the subject of Revelation take a much too scholarly approach to a book that was written to be understood by the common man. All Things New is a verse by verse commentary guide for the Christian or non-Christian reader who may simply want to know what the book of Revelation is all about and what its significance is for us today. Included are definitions of the basic terms related to the Church and Christianity that a non-believer might not understand but are necessary for a clear comprehensive understanding of Revelation. This book is not just about scary beasts, incomprehensible images, and mind-boggling catastrophes and judgments. It's also a book of vindication for the people of God, a demonstration of God's eternal justice, and most importantly, a book of hope for a world that seems to have lost its way. There are storm clouds on the horizon and a cold night of despair will follow, but the night is never so cold as just before the dawn. May everyone who reads this book find joy, peace, and tranquil hope for the future in the person of Jesus Christ. A new day is coming and a new world will dawn in which God will indeed make All Things New. We Win! Barry Brinson, 2016-03-14 Your manuscript is not only interesting and well-written; the questions for review and discussion make it an excellent study guide for individuals, small groups, or even a Bible College class. Dr. David New, Bible College Professor, The Word of God is holy, inspired, infallible, and inerrant. God desires that His word concerning the end times will be understood. In We Win, Reverend Barry Brinson shares a down-to-earth, literal interpretation of the book.

of Revelation that includes commentary on God's plan to bring an end to a world of sin and evil and how He intends to recreate a new heaven and new earth where righteousness dwells. Reverend Brinson is a devout Christian who loves to discover the truth of God's Word. While sharing a thoughtful yet simple interpretation of the book of Revelation, Brinson helps spiritual seekers understand God's Word as the simple truth clarifying the message behind this important Scripture. Brinson carefully examines the four visions of Revelation which evaluate the church relative to its worthiness in the Kingdom of God, describe the events that take place before God creates a new heaven and new earth, show the rise and fall of Babylon, and reveal the glorious future to be realized in the new heaven and new earth. We Win seeks to help anyone interested in better understanding the book of Revelation and its significant message that God does indeed have a grand and glorious plan for the future where in the end we win.

You Can Understand the Book of Revelation Jeff Scoggins, 2013. Some Christians say Revelation is a closed book and not meant for human understanding. Actually, the word revelation means unveiling, and the first chapter of Revelation promises a blessing to all who read and take it to heart. Other readers study Revelation over and over but end up confused about all the beasts, scrolls, trumpets, and angels. The truth is that Revelation is the story of Jesus Christ from beginning to end, and we need to understand the plot of that story before sorting out the details. A few preachers even use the newspaper to interpret Revelation, equating each symbol with a specific event in yesterday's news. Actually, Revelation is best interpreted using the Bible itself. You can learn to understand prophecy for yourself; all you need is a safe method of Bible study and the guidance of the Holy Spirit. Once you grasp the basic method, we'll use those tools to walk through the central portion of Revelation which deals with earth's final crisis just before the second coming of Jesus. You may have to re-think everything you thought you knew about interpreting prophecy, but you'll know that you stand on the firm footing of God's word. Open your Bible and join us for the journey.

Understanding the Book of Revelation D. Min. David Baxley, 2018-05-14. The Book of Revelation has long been thought of as a formidable and confusing work, understandable to only elite bible scholars. But like its very name, Revelation, understanding of this seemingly complex book is available to all. God has even promised a special blessing to those who read it. David Baxley D. Min. has broken down the perceived barriers and written a simple verse-by-verse commentary that is understandable to even beginning bible students. It includes maps, a chronology of end-time events, and wars, definitions, and cross-references to Old Testament scriptures that point to the time of the end. He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations. Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book. It's a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice, and believers will live with God forevermore. A bible student for over 50 years and pastor for over 40, Dr. David Baxley has studied and taught the Book of Revelation extensively. While in the hospital recovering from a heart transplant, he realized that the sequence of end-time events was still not clear in his mind, so he spent the next two years in

intense study This book is the result of that study *The Overcomers* Richard Booker,2011-06-21 The Book of Revelation is not a book of doom and gloom but the victory of the Lamb of God and those who follow Him The Overcomers In this groundbreaking three volume series Dr Richard Booker helps you understand the Book of Revelation by explaining John's vision within its intriguing original historical literary and biblical context This three volume series gives a more balanced understanding of the book of Revelation by emphasizing the background and setting in which John received and wrote his revelation The author explains how this background information actually determined the words that Jesus and John used in what became the book of Revelation Without this background information it is really impossible to understand why Jesus and John said what they said The author connects this background information and the message in the book of Revelation with a prophetic word to our world today In this regard this is a groundbreaking series on the book of Revelation

Understanding the Book of Revelation Dr. Gordon L. Boggs,2019-03-06 The Book of Revelation has been a mystery to many people for many years One of the basic roadblocks to understanding the Book of Revelation has been the fact that there is no Temple in Jerusalem The Temple was destroyed in AD 70 so for almost two thousand years since the Book of Revelation was written there has been no Temple in Jerusalem Nevertheless John the author of Revelation was instructed to Measure the Temple Revelation 11 1 8 Daniel spoke of how the Anti Christ would Stop the Daily Sacrifices at the Temple Daniel 12 4 13 Paul spoke of how the Anti Christ would sit as God in the Temple of God and proclaim that he was God 2 Thessalonians 2 1 5 Jesus spoke of the coming Tribulation and mentioned the Abomination of Desolation which occurs inside the Temple Mathew 24 15 21 Mark 13 14 19 But from AD 70 until May 1948 Neither the Temple nor the Nation of Israel existed This book will walk you through the exact Sequences of when each Biblical Event occurs and give you the exact Bible References so that you can see the actual Biblical Sequence of Events for yourself The First Chapter will close with a List of 12 Events all in Sequence all with actual Bible References The Final Chapter will close with a List of over 100 Events all in Sequence all with actual Bible References If you ever wanted to know for sure What Does the Bible Say Then this book is for you
