

The background of the book cover is a photograph. It shows a person from the waist down, wearing a white, slightly wrinkled shirt. Their right arm is extended, and their hand is reaching into a field of tall, dry grass. In the center of the grass, where the hand is reaching, there is a bright, glowing yellow orb that resembles a lantern or a light source. The overall lighting is warm and golden, suggesting a sunset or sunrise. The text is overlaid on the upper half of the image.

Unearthing Venus My Search For The Woman Within:

Unearthing Venus Cate Montana, 2013-10-01 In the tradition of Eat Pray Love and Cheryl Strayed's Wild comes a fresh voice in women's non-fiction. Join Cate Montana on an amazing journey into the heart of the Amazon jungle up staggering peaks in the Andes and halfway across the globe to the consecration of a temple to the Great Goddess in southern India as she searches for the missing Feminine within herself and Western Culture. Raised in a man's world to be just one of the guys, Cate was a highly successful network TV editor and journalist, self-admittedly brash, driven and highly competitive. While on assignment, a chance encounter with a shaman sets her on the path of unearthing the illusive power of the feminine. In a raw and wrenching recapitulation of her life, Cate discovers the devastating absence of feminine qualities within herself and the withering personal and global consequences of having only one paradigm available for her to express through the masculine. P-values of Power, Possessions, Profit and Progress. An intelligent, compellingly honest and frequently funny memoir of a modern woman's search for her own unrecognized feminine spirit. *Unearthing Venus* is both a visionary and everywoman story that brilliantly captures what it is to be a woman today and everyday.
