Diplomatic Material Jason Dittmer, 2017-08-24 In Diplomatic Material Jason Dittmer offers a counterintuitive reading of foreign policy by tracing the ways that complex interactions between people and things shape the decisions and actions of diplomats and policymakers Bringing new materialism to bear on international relations Dittmer focuses not on what the state does in the world but on how the world operates within the state through the

circulation of humans and nonhuman objects From examining how paper storage needs impacted the design of the British Foreign Office Building to discussing the 1953 NATO decision to adopt the 30 caliber bullet as the standard rifle ammunition Dittmer highlights the contingency of human agency within international relations In Dittmer s model which eschews stasis structural forces and historical trends in favor of dynamism and becoming the international community is less a coming together of states than it is a convergence of media things people and practices In this way Dittmer locates power in the unfolding of processes on the micro level thereby reconceptualizing our understandings of diplomacy and international relations

Heads of Mission Gail P Guy, Dennis Francis, Lenore S Dorset, 2018-07-17 I consider this work an excellent comprehensive manual for new and practicing diplomatic officers and I applaud the authors for their foresight in producing it This handbook should become essential reading for diplomats as it covers matters that appear simple on the surface but indeed are very critical to the successful execution of ones job as a diplomat Keith Franklin GCM former ambassador of Barbados to the Bolivarian Republic of Venezuela former permanent secretary to the prime ministers office and retired cabinet secretary to the government of Barbados West Indies This handbook for Heads of Mission is well thought out clearly written very timely correctly sequenced and will prove to be both practical and useful Mervyn I Assam former high commissioner for the Republic of Trinidad and Tobago to the United Kingdom former minister of Foreign Affairs former ambassador extraordinary and plenipotentiary with responsibility for trade and industry A crash course in diplomacy and the use of its tools Gives one a practical understanding of the weighty nature of the post of Head of Mission This handbook not only emphasizes the importance of understanding that this responsibility is full time but also the importance of the need to prepare adequately for this responsibility Through the comprehensive way in which the authors have dealt with the diplomatic process it is a handbook which greatly contributes to ensuring that a Head of Mission is adequately equipped for the leadership role in the delivery of desired national outcomes Sonia Johnny attorney at law former ambassador of St Lucia to the United States of America
