Tithes The Extortion Of The Body Of Christ:

Tithes B. Ann Nichols,2006-08-01 Many Christians have questions concerning the tithe but are afraid to ask for fear of reprisal by church leadership and fellow Christians They want answers as to why they have not received the promises of Malachi 3 If you have questions about tithing and want real biblical answers then this book is for you Time To Bury The Tithe Richard Shannon,2020-09-29 If not the tithe then what This book exhorts the reader to a supreme form of giving known as Sacrificial Giving There are NINE New Covenant examples of S G The sacrifice of Jesus on the cross As He gave let us give the same way For here unto were ye called because Christ also suffered for us leaving us an example The Church at Macedonia who gave beyond their power The boy who gave his lunch he gave it all The woman in the temple who gave all Zacchaeus who pledged 1 2 to the poor Instructions to the rich young ruler to sell all and follow Jesus The confession of the disciples that they had forsaken all to follow Jesus The church in Acts 2 who sold possessions and gave to all men as every man had need The gift of the alabaster box of ointment worth a years wages See Action Plan Page 58 *The Tithing Dilemma and the Triumphs of Love* Leonard Bupanda,2013-01-03 This book provides enough food for thought for those who want to find out more or even raise some objections to Leonards assertions and arguments On the whole it is a heart searching and thought provoking book **On My Post** Reggie Legend,2024-11-28 This book series centers around my personal stories and reflections captured in no particular order Though I initially avoided platforms such as Facebook and Twitter preferring smaller websites and blogs that either I my friends or other colorful collaborators created my connection with social media was inevitable Upon publishing my first book Steel Waters DUPLICATE AUTHENTICITY VOLUME I as a collection of poems I immediately knew I d need a larger platform to show the world my content What began as a business quickly became personal as I released little quips along with long rants about the inner workings of my family faith and functioning as a black man in America What I ve amassed over the years has been gathered together as recollections of a rebel who initially balked at the idea of social media altogether but has since utilized it to challenge social norms shift paradigms and advance the Kingdom of God through the power of written words Some of the topics broached in this book include the following fatherhood from a Christian black man s perspective as son who s transitioned to being a father introspective reflections coined as Mourning Mirror Talks how faith influences my every day walk and life politics and the foolishness thereof music and culture specifically from a Hip Hop perspective I don t just do this for myself though My voice in many instances is your voice My concerns are your concerns So allow my strength words and an ever present heavenly Father God to be your strength The Truth PASTOR MOSES O.
