To Feel As Our Ancestors Did Collecting And Performing Oral Histories:

To Feel as Our Ancestors Did Daniel A. Kelin, 2005 *To Feel as Our Ancestors Did* demonstrates how to connect upper elementary and middle school students to their community through an inquiry driven project that uses oral histories as its foundation and drama as an exciting way to explore and present them [Doing Oral History](#) Donald A. Ritchie, 2015 *Doing Oral History* is considered the premier guidebook to oral history used by professional oral historians public historians archivists and genealogists as a core text in college courses and throughout the public history community The recent development of digital audio and video recording technology has continued to alter the practice of oral history making it even easier to produce and disseminate quality recordings At the same time digital technology has complicated the preservation of the recordings past and present This basic manual offers detailed advice for setting up an oral history project conducting interviews and using oral history for research making video recordings preserving oral history collections in archives and libraries and teaching and presenting oral history [The Oxford Handbook of Oral History](#) Donald A. Ritchie, 2012-10-01 *The Oxford Handbook of Oral History* brings together forty authors on five continents to address the evolution of oral history the impact of digital technology the most recent methodological and archival issues and the application of oral history to both scholarly research and public presentations **Social Studies and Diversity Education** Elizabeth E. Heilman, Ramona Fruja Amthor, Matthew T. Missias, 2010 *The preparation of social studies teachers is crucial not only to the project of good education but even more broadly to the cultivation of a healthy democracy and the growth of a nation e tm s citizens This one of a kind resource features ideas from over 100 of the field s most thoughtful teacher educators reflecting on their best practices and offering specific strategies through which future teachers can learn to teach thus illuminating the careful planning and deep thinking that go into the preparation of the social studies teachers While concentrating on daily teaching realities such as lesson planning and meeting national state or provincial standards each contributor also wrestles with the most important current issues on educating teachers for today e tm s increasingly diverse complex and global society Features of this unique teaching resource include Volume sections that are arranged by both disciplinary organization and approach or activity Thoughtful introductory section essays that conceptualize each theme providing a conscientious theoretical overview and analysis of each individual section Rich and concrete examples of best practice from some of the field s most diverse and highly regarded scholars and teacher educators An index that identifies the appropriate teaching level and teacher education context and links the strategies and ideas that are presented in the essay to the relevant INTASC and NCSS standards for quick reference in classroom planning as well as institutional development and implementation A much needed addition to the field this comprehensive volume will be of value to any teacher interested in social studies or diversity education across age groups and educational contexts [The SAGE Handbook of Qualitative Research](#) Norman K. Denzin, Yvonna S. Lincoln, Michael D. Giardina, Gaile S. Cannella, 2023-04-07 This new edition of the SAGE Handbook of*

Qualitative Research represents the sixth generation of the ongoing conversation about the discipline practice and conduct of qualitative inquiry. As with earlier editions, the Sixth Edition is virtually a new volume with 27 of the 34 chapters representing new topics or approaches not seen in the previous edition, including intersectionality, critical disability research, postcolonial and decolonized knowledge, diffraction and intra-action, social media methodologies, thematic analysis, collaborative inquiry from the borderlands, qualitative inquiry and public health science, co-production and the politics of impact, publishing qualitative research and academic survival. Authors in the Sixth Edition engage with questions of ontology and epistemology, the politics of the research act, the changing landscape of higher education, and the role qualitative researchers play in contributing to a more just, egalitarian society. To mark the Handbook's 30-year history, we are pleased to offer a bonus PART VI in the eBook versions of the Sixth Edition; this additional section brings together and reprints ten of the most famous or game-changing contributions from the previous five editions. You can bundle the print/eBook version with bundle ISBN 978 1 0719 2874 5.

Applied Theatre, Third Edition Monica Prendergast, Juliana Saxton, Yasmine Kandil, 2024-02-20. Applied Theatre was the first collection to assist practitioners and students in developing critical frameworks for their own community-based theatrical projects. The editors draw on thirty case studies in applied theatre from fifteen countries covering a wide range of disciplines from theatre studies to education, medicine, and law, and collect essential readings to provide a comprehensive survey of the field. Infused with a historical and theoretical overview of practical theatre, Applied Theatre offers clear developmental approaches and models for practical application. This third edition offers refreshed case studies from many countries worldwide that provide exemplars for the practice of applied theatre. The book will be useful to both instructors and students in its focus on providing clear introductory chapters that lay out the scope of the field, dozens of case studies in all areas of the field, and a new chapter on responses to the global pandemic of 2020. Also includes a new section on representation in its final chapter, looking at the issues of how we represent ourselves and others on stage.

Elementary and Middle School Social Studies Pamela J. Farris, 2015-02-03. The latest edition of Pamela Farris's popular, value-priced text continues to offer pre- and in-service teachers creative strategies and proven techniques sensitive to the needs of all elementary and middle school learners. Coverage includes the C3 Framework and the four sets of learning from the National Curriculum Standards for Social Studies. Farris, together with contributors who specialize in implementing successful teaching methods and theories, demonstrate how classroom teachers can excite and inspire their students to be engaged learners.

International Handbook of Research in Arts Education Liora Bresler, 2007-09-04. Providing a distillation of knowledge in the various disciplines of arts education—dance, drama, music, literature, and poetry, and visual arts—the Handbook synthesizes existing research, literature, helps define the past, and contributes to shaping the substantive and methodological future of the respective and integrated disciplines of arts education. While research can at times seem distant from practice, the Handbook aims to maintain connection with the lived practice of art and of education, capturing the

vibrancy and best thinking in the field of theory and practice The Handbook is organized into 13 sections each centering on a major area or issue in arts education research These areas include History of arts education curriculum evaluation cultural centers appreciation composition informal learning child culture creativity the body spirituality and technology The individual chapters address cross cultural research related to the central theme of the section from the perspectives of the particular arts discipline Interludes provide reflective thoughts on the theme *Ethnotheatre* Johnny Saldaña,2016-06-16 Ethnotheatre transforms research about human experiences into a dramatic presentation for an audience Johnny Salda a one of the best known practitioners of this research tradition outlines the key principles and practices of ethnotheatre in this clear concise volume He covers the preparation of a dramatic presentation from the research and writing stages to the elements of stage production Salda a nurtures playwrights through adaptation and stage exercises and delves into the complex ethical questions of turning the personal into theatre Throughout he emphasizes the vital importance of creating good theatre as well as good research for impact on an audience and performers The volume includes multiple scenes from contemporary ethnodramas plus two complete play scripts as exemplars of the genre **Knowledge, Pedagogy, and Postmulticulturalism** Gay Wilgus,2013-05-21 This volume identifies problematizes and discusses issues specific to the design of educational programs for teacher candidates from working class ethnic and language minority and immigrant backgrounds taking as its starting point the distinctive complex perspectives that these candidates bring to the university classroom
