To Heaven And Back The Journey Of A Roman Catholic Priest:

To Heaven and Back Rev. John M. Tourangeau, Travis J. Vanden Heuvel, 2015-07-07 While connecting me up to various machines and monitors and placing nitroglycerine tablets under my tongue the doctor looked at me early on and said You waited too long to get here sir I was petrified There was no immediate response on my part only a deep sense of fear entombed by a completely paralyzed inner spirit Much to my surprise he spoke again Sir you ve waited too long to get here You re not going to make it And he continued If you believe in God this is the time to make peace In that very moment I said to myself What do you mean If you believe in God Of course I believe in God I m a man of faith and a Catholic priest Fr John Tourangeau O Praem a Norbertine priest who had an afterlife experience following a major heart attack emphatically states Heaven is for real Within this enlightening and hope filled book Fr John weaves a powerful and dynamic tapestry of the Kingdom of God at hand through the exploration of Christian tradition Sacred Scripture Catholic teaching as well as his own lived experiences While the fullness of heaven cannot be fully experienced in our life here on earth Father explains we are able to more fully experience God s love for us through our relationships with others For it is in and through these relationships that we draw closer to Christ and his promise for us To Heaven and Back John Michael Tourangeau, 2015-07-07 To Heaven and Back tells the story of Fr John Tourangeau s near death experience that took him to the threshold of heaven and back That episode alone makes this book undeniably memorable But what makes it important and a gift for the reader is that after this life altering experience Fr Tourangeau discovers that if he is truly to move from death back to life he must deal with his own pain and brokenness with the memories and fears that hold him bound and with all the things that rob him of hope In his discovery that he is called to be a wounded healer Fr Tourangeau becomes a trustworthy spiritual companion and guide who reminds us that we find free dom and peace only when we are not afraid to be the person that God s love summons us to be Most of all To Heaven Back is a blessing because it is written with the heartfelt conviction that God always calls us to fullness of life FROM THE BOOK While connecting me up to various machines and monitors and placing nitroglycerine tablets under my tongue the doctor looked at me early on and said You waited too long to get here sir I was petrified There was no immediate response on my part only a deep sense of fear entombed by a completely paralyzed inner spirit Much to my surprise he spoke again Sir you ve waited too long to get here You re not going to make it And he continued If you believe in God this is the time to make peace In that very moment I said to myself What do you mean If you believe in God Of course I believe in God I m a man of faith and a Catholic priest Meet Fr John Fr John Tourangeau O Praem a Norbertine priest who had an afterlife experience following a major heart attack emphatically states Heaven is for real Within this enlightening and hope filled book Fr John weaves a powerful and dynamic tapestry of the Kingdom of God at hand through the exploration of Christian tradition Sacred Scripture Catholic teaching as well as his own lived experiences While the fullness of heaven cannot be fully experienced in our life here on earth Father explains we are

able to more fully experience God's love for us through our relationships with others. For it is in and through these relationships that we draw closer to Christ and his promise for us. **The Companion** Rev. John Michael Tourangeau, Rev. John M. Tourangeau O. Praem., Travis J. Vanden Heuvel, 2015-10-15. As children of God and as brothers and sisters in Christ we all journey together. The image of being on a pilgrimage finds meaning in walking with others on life's journey for no one of us is meant to go it alone. Simply in Christ we are pilgrims and friends on a profound journey of faith. And it is in the sharing of the stories of our lives that we come to new life, hope, and peace. The relationships that we establish with those around us, our families, friends, parishioners, neighbors, fill our lives with so much joy. It is in and through these relationships that we draw closer to one another and closer to Christ. And while it's important to spend time and energy fostering these relationships, we must also remember that it can be extremely helpful and living-giving to spend time alone in silence with God. This workbook and journal will provide you with an opportunity to think about, reflect on, and pray over some of life's toughest questions. For some, what gets written on the pages to come will be only for them to know and see. For others, this will help them organize and articulate their thoughts so they might engage in conversations with others. However you choose to use this resource, we hope that you find the questions and exercises helpful and enlightening. **Journey to Heaven: A Road Map for Catholic Men** Randy Hain, 2014. Each hour of each day you are forming habits that shape your character and will determine where you will spend eternity. When your earthly life ends, it will be too late to change your destiny. In the midst of the hectic demands, busy schedules, and countless interruptions of every day, this book gives you the surefire, divinely instituted steps for becoming the man God wants you to be. Use them. Your family is counting on you. **Testimony, A Catholic's Journey Back to Faith** Julianne Weinmann, 2019-08-15. This is the story of one woman's journey back to the Catholic Faith after over forty years. The book includes a list of the author's beliefs and why she believes that the Catholic Faith is true. **Journey with Me** Diane McDonald, 2007-11. Have you ever stopped and wondered why things happen in your life? When my father passed over, he sent me a sign that he was okay. Since his passing, I have gradually become aware of the help I receive. The son of a friend asked one day, "How did you become aware of the synchronicities in your life?" He heard many of my stories and recognized the uniqueness of the tales. The question took me by surprise. How did I begin to recognize the timing that put me at the right place at the right time to either be helped or help someone else? I first became aware in Tracking Time when my presence helped save my neighbor's life. While writing To Pap With Love, I recognized the guidance I received that prevented harm to my father. His Alzheimer's disease helped me to live in the present, not dwell on yesterday or concentrate on tomorrow. Along the way, I was helped by people and events. I was encouraged to stop worrying, to forgive myself for not being the person I expected myself to be, to trust I would have what I needed. **The Ladies' Repository**, 1847. *Mountain and prairie; a journey from Victoria to Winnipeg, via Peace River pass* Daniel Miner Gordon, 1880. **Nadeau Family** Cecile A. Nadeau, 1976. Joseph Osanny Nadeau immigrated to Canada from France by 1662. He married

Marguerite Abraham in 1665 **Fast Lane to Heaven** Ned Dougherty, 2005-09-01 My first experience with death happened on the night of July 2 1984 Since then books movies and television documentaries have popularized the term near death experience to describe an event that has been experienced by millions of people who have been at death s door But back in 1984 I was alone with my experience I couldn t share it with anyone From the book Coming back from death is a powerful and life changing experience Before I came back from death I was told that I was coming back with a mission in life My mission was not clearly defined for me at first but I now find that each and every day it is being defined for me more clearly The experience has set me upon a path of self discovery and spiritual enlightenment that continues to provide me with glimpses into the afterlife glimpses that I would now like to share with you Prior to finding myself at death s door I was not by nature inclined to share anything with anybody but now I believe it is important that I share my experiences with you
