

Name: _____

To Kill a Mockingbird

Chapter 6 Close Reading Questions

Directions: After (or while) you read the chapter, respond to the following questions. Each question is designed to make you think more deeply about this section of reading, promoting deeper understanding of the material.

.....

Part 1. The first five questions pertain to the following passage. Take note of the superscript numbers; these correspond to question numbers.

Mr. Avery boarded across the street from Mrs. Henry Lafayette Dubose's house. Besides making change in the collection plate every Sunday⁽¹⁾, Mr. Avery sat on the porch every night until nine o'clock and sneezed. One evening we were privileged to witness a performance by him which seemed to have been his positively last, for he never did it again so long as we watched. Jem and I were leaving Miss Rachel's front steps one night when Dill stopped us: "Golly, look a yonder"⁽²⁾. He pointed across the street. At first we saw nothing but a kudzu-covered front porch, but a closer inspection revealed an arc of water descending from the leaves and splashing in the yellow circle of the street light, some ten feet from source to earth, it seemed to us⁽³⁾. Jem said Mr. Avery misfigured, Dill said he must drink a gallon a day, and the ensuing contest to determine relative distances and respective pro prowess⁽⁴⁾ only made me feel left out again, as I was untalented in this area⁽⁵⁾.

1. What does "making change in the collection plate every Sunday" mean?

- A. Mr. Avery is the recipient of donations given out by the local church.
- B. Mr. Avery steals money from the local church and thinks nobody notices.
- C. Mr. Avery takes out smaller-denomination bills and coins in exchange for larger-denomination bills and coins.
- D. Mr. Avery is the church-goer who collects donations of money from his neighbors.

A Natural History of the Romance Novel Pamela Regis, 2013-08-31 The romance novel has the strange distinction of being the most popular but least respected of literary genres While it remains consistently dominant in bookstores and on best seller lists it is also widely dismissed by the critical community Scholars have alleged that romance novels help create subservient readers who are largely women by confining heroines to stories that ignore issues other than love and marriage Pamela Regis argues that such critical studies fail to take into consideration the personal choice of readers offer any true definition of the romance novel or discuss the nature and scope of the genre Presenting the counterclaim that the romance novel does not enslave women but on the contrary is about celebrating freedom and joy Regis offers a definition that provides critics with an expanded vocabulary for discussing a genre that is both classic and contemporary sexy and entertaining

Taking the stance that the popular romance novel is a work of literature with a brilliant pedigree Regis asserts that it is also a very old stable form She traces the literary history of the romance novel from canonical works such as Richardson s Pamela through Austen s Pride and Prejudice Bront s Jane Eyre and E M Hull s The Sheik and then turns to more contemporary works such as the novels of Georgette Heyer Mary Stewart Janet Dailey Jayne Ann Krentz and Nora Roberts
