Cross,2024-07-28 **The End Is the Beginning** Matthew Ian Fleming,2024-10-01 Dragons battles beasts and plagues it s no wonder Revelation is often called the scariest book in the Bible And most of us aren t sure what to make of it What do you think of when you think about the book of Revelation Prophecy apocalypse rapture While certain evangelicals are steeped in the rhetoric of Revelation albeit a very particular and peculiar interpretation the rest of us often have little interaction with Revelation beyond its fire and brimstone reputation Revelation rarely shows up in the pulpits of mainline Christian churches and many progressives feel as if Revelation is only for the end is near apocalyptic or Christian Nationalists and QAnon theorists But the book of Revelation offers so much more if we re willing to crack it open in new ways The End Is the Beginning cuts through the echo chamber of rapture haunted apocalyptic anxiety with a clear picture of God s persistent love for all that was and is and will be It will serve as a trusted companion providing tools to carry readers into all corners of Scripture Pastor and writer Matthew Ian Fleming is a sage Revelation guide combining his own stories with shared

perspectives from an entourage of interpreters of various generations and diverse backgrounds pastors theologians and people of faith who dare to read Revelation in the face of world wrenching events from the fall of the Berlin Wall to the murder of George Floyd Reading the book of Revelation takes us to the height of heaven and the depths of despair it requires curiosity and courage It means standing in the face of a Christian mechanism fueled by fear to reclaim a message of promise and persistence With equal doses hope and humor Fleming suggests that if we can contend with Revelation it really can change everything
