

A woman in a white, flowing dress is depicted floating in water. Her hair and the fabric of her dress are captured in motion, creating a sense of fluidity and grace. The background is dark, making the white dress and the woman's form stand out. The overall mood is ethereal and artistic.

Voices From The Passion:

Voices of the Passion Otto Paul Kretzmann, Armin Charles Oldsen, 1944 "Life and Passion." Kathryn Martell-MacKenzie, 2014-08-01 This book of poetry entices the reader to really think about life and see life with clear eyes and a clear mind Reading with a Passion Jeffrey Staley, 2002-06-01 In this strikingly personal account of recent literary approaches to the Bible Jeffrey Staley shows how people's life experiences relate to what they read in the Scriptures He illustrates his argument from theories of autobiography where recent literary and feminist critiques provide him with tools for reflecting upon his childhood on a Navajo reservation and his family's five generations of contact with the Navajo people in northern Arizona and New Mexico Using Tony Hillerman's popular detective novels as a lens to refract his own childhood memories Staley investigates how his cross cultural childhood and family history have contributed to his understanding of the Fourth Gospel By combining such diverse materials as popular fiction medieval passion plays cultural anthropology rhetorical studies and autobiographical reflection Staley takes his readers on a fascinating spiritual and intellectual journey through the Gospel of John A Passion for Friends Janice G.
