Wall Intimacy And Other Stories:

The Wall (Intimacy) and Other Stories Jean-Paul Sartre, 1969 One of Sartre's greatest existentialist works of fiction The Wall contains the only five short stories he ever wrote Set during the Spanish Civil War the title story crystallizes the famous philosopher's existentialism **The Writings of Jean-Paul Sartre: Contat, M. and Rybalka, M. A bibliographical life** Michel Contat, Michel Rybalka, 1974 A 2 vol translation with revisions and additions of a 1 vol work published as Les écrits de Sartre chronologie bibliographie commentée by Gallimard 1970 **The World of Dew and Other Stories** Julian Mortimer Smith, 2021-04-06 Imagine a world populated by hideous trolls time traveling scientists and intergalactic freighter captains with smartphones and social media The World of Dew and Other Stories chosen by Michelle Pretorius as the 2020 Blue Light Books Prize winner invites readers into 18 different universes that have unexpected resonances with our own modern life While these tales are unabashedly sci fi and fantasy Julian Mortimer Smith approaches each at a curious angle Ghosts are cataloged using a Pok mon Go like app a soldier has to get enough upvotes on social media before he is allowed to take a shot and a golden age of cooperation begins as societies around the world prepare for a looming pandemic of blindness In addition to featuring stories that have appeared in some of the world's top speculative fiction outlets The World of Dew and Other Stories also includes five new stories published here for the first time These tales are sometimes terrifying sometimes touching sometimes provocative and occasionally very silly They function both as windows through which readers can glimpse vast universes waiting to be explored and as mirrors reflecting our own reality back at us in a strange and unfamiliar light **The Wall (Intimacy) and Other Stories. Translated From the French by Lloyd Alexander** Jean-Paul Sartre, 1948 *"Variations Without a Theme" and Other Stories* Xing Xu, 1997 The fiction of Xu works across boundaries fusing Daoist traditions with the pessimism of Western nihilism One Arm and Other Stories Tennessee Williams, 1967 Here are the eleven remarkable stories of Tennessee Williams's first volume of short fiction originally published in 1948 and reissued as a paperback in response to an increasingly insistent public demand It was this book which established Williams as a short story writer of the same stature and interest he had shown as a dramatist Each story has qualities that make it memorable In One Arm we live through his last hours and memories with a rough trade ex prizefighter who is awaiting execution for murder The Field of Blue Children explores some of the strange ways of the human heart in love Portrait of a Girl in Glass is a luminous and nostalgic recollection of characters who figure in The Glass Menagerie while Desire and the Black Masseuse is an excursion into the logic of the macabre The Yellow Bird well known through the author's recorded reading of it which tells of a minister's daughter who found a particularly violent but satisfactory way of expiating a load of inherited puritan guilt may well become part of American mythology **The Wall Reader and Other Stories** , 1979 **A Russian Doll and Other Stories** Adolfo Bioy Casares, 1992 This collection of traditional and experimental stories by Argentinian novelist Bioy Casares The Adventures of a Photographer in La Plata offers sophisticated seamless prose as well

as magical realism and biting political satire Publishers Weekly

The Twin Fortunes and Other Stories James I. McGovern, 2004-03-03 The thirteen stories in this collection concern people from a wide variety of backgrounds As they struggle with the problems they meet physical emotional or spiritual they become conscious of past failures and missing necessities for their futures While they have various degrees of success or failure it is the awareness of the reasons for one's fate that emerges as the central value This knowledge of limitations sometimes bolstered by compassion or will empowers some of the characters but remains elusive for others
