Women's Roles in Sub-Saharan Africa Toyin Falola, Nana Akua Amponsah, 2012-01-06 This exhaustive exploration of the sociocultural political and economic roles of African women through history demonstrates how African women have shaped and continue to shape their societies Women play essential critical roles in every society African women south of the Sahara are certainly no different Women's Roles in Sub-Saharan Africa adds significantly to our understanding of the ways in which women contribute to the fabric of human civilization This book provides an in-depth exploration of African women's roles in society from precolonial periods to the contemporary era Topical sections describe the roles that women play in family courtship and marriage religion work literature and arts and government Each of the six chapters has been structured to elucidate women's roles and functions in society as partners as active participants as defenders of their status and occupations and as agents of change Authors Nana Akua Amponsah and Toyin Falola present a thought-provoking work that looks at the complicated victimhood/powerful female paradigm in women and gender studies in Africa and challenges ideological interest in African historiography that privileges male representation

Zoroastrian Rituals in Context Michael Stausberg, 2018-08-14 Rituals it is agreed play a prominent role in Zoroastrianism one of the oldest continuous traditions of mankind In this book scholars from a broad range of disciplines make the first ever collective effort to address this issue From a historical and geographical perspective texts and contexts studied in these pages range from antiquity to modernity all the way from Japan China India Iran Europe to California The essays touch on questions of theory ritual texts change and performances gender and professional religion priesthood lay people The rituals studied are placed in a broad scope of social and local settings ranging from the royal court to the needy from the rural village to the urban metropolis from the domestic to the public

Religion Meredith B. McGuire, 2008-04-10 In this insightful examination of religions in their local and global context the author shows how analyzing religions' social context helps us understand

individuals lives social movements national and ethnic politics and widespread social changes Well researched and theory based the text is filled with intriguing anecdotes empirical data thought provoking discussions of both mainstream and nonofficial religions and historical and contemporary examples that illustrate the interplay between religion and society across cultures This volume takes an integrated approach to examining religion and includes cross cultural historical and methodological viewpoints Readers will learn to identify the complex interactions between religion and societal contexts as well as the ways in which these interactions shape individuals communities national politics and the world **From Every**

People and Nation David M. Rhoads, A diverse group of New Testament scholars and theologians offer myriad paths to a better understanding of the Book of Revelation They discuss topics such as Hispanic Cuban American and African American perspectives ecological issues postcolonial themes and liberation theology The book also provides a set of guidelines for intercultural Bible study The volume s contributors include Brian K Blount Justo Gonz lez Harry O Maier Clarice J Martin James Okoye Tina Pippin Pablo Richard Barbara R Rossing V tor Westhelle Khiok Khng Yeo **Readings in Gender in**

Africa Andrea Cornwall,2005 This is a comprehensive overview on the existing literature on gender in Africa It covers areas such as Western perceptions colonial morality religion and politics **Sex and Gender Hierarchies** Barbara D.

Miller,1993-02-18 This edited collection attempts to revive a unified anthropological approach to the study of sex and gender hierarchies Seventeen distinguished contributors from cultural anthropology physical anthropology archaeology and anthropological linguistics have produced a wealth of fascinating data on human and primate ancient and contemporary and primitive and developed societies covering topics such as mothering and child care work health intrafamily relationships and public power The interdisciplinary approach successfully contributes to the development of better theory and methodology in anthropology **Women and Religion in the African Diaspora** R. Marie Griffith,Barbara Dianne Savage,2006-09-22 This

landmark collection of newly commissioned essays explores how diverse women of African descent have practiced religion as part of the work of their ordinary and sometimes extraordinary lives By examining women from North America the Caribbean Brazil and Africa the contributors identify the patterns that emerge as women religion and diaspora intersect mapping fresh approaches to this emergent field of inquiry The volume focuses on issues of history tradition and the authenticity of African derived spiritual practices in a variety of contexts including those where memories of suffering remain fresh and powerful The contributors discuss matters of power and leadership and of religious expressions outside of institutional settings The essays study women of Christian denominations African and Afro Caribbean traditions and Islam addressing their roles as spiritual leaders artists and musicians preachers and participants in bible study groups This volume s transnational mixture along with its use of creative analytical approaches challenges existing paradigms and summons new models for studying women religions and diasporic shiftings across time and space
