The eleventh month of the year is:

- A. January
- B. November
- C. October
- D. May

- The correct answer is (B). The eleventh month of the year is November.

A shop owner bought some shovels for \$5,500. The shovels were sold for \$7,300, with a profit of \$50 per a shovel. How many shovels were involved?

- A. 18
- B. 36
- C. 55
- D. 73
- E. 90

- The correct answer is (B). The total profit from the sale is the selling price minus the cost of purchase, which is $\$7300 - \$5500 = \$1800$. If the total profit is \$1800 and each shovel accounts for \$50 profit, the amount of shovels is $1800/50 = 36$.

How many states are there in the U.S.A?

- A. 20
- B. 30
- C. 40
- D. 50
- E. 60

- The correct answer is (D). The USA has 50 states.

There are three times elephants compared to giraffes in the safari. If there is a total of 88 elephants and giraffes, how many elephants are there in the safari?

- A. 22
- B. 31
- C. 43
- D. 59
- E. 66

- The correct answer is (E). If there are 3 times as many elephants as there are giraffes, giraffes can be defined as X, and elephants as 3X, and build the following equation:

$$3X + X = 88$$

$$4X = 88$$

$$X = 88/4$$

$$X = 22$$

As stated above, X stands for the number of giraffes. Thus, there are 22 giraffes. As mentioned in the problem, there are three times as many elephants as there are giraffes in the safari. Thus, to find how many elephants there are in the safari, multiply the number of giraffes by 3:

Human Resource Management Greg L. Stewart, Kenneth G. Brown, 2019-06-18 Human Resource Management addresses the challenges faced by human resource managers integrating traditional theory with real world strategy to equip students with the knowledge perspective and skills they need to thrive in the ever changing global business environment Presented in a clear and relatable style this text

emphasizes how effective human resource management and strategic planning work in concert to allow organizations to achieve maximum success. The focus on practical application illustrates the essential link between strategic planning and implementation, providing an inside look at how real world companies increase effectiveness through world class human resources management practices. A wealth of case studies, discussion topics and exercises reinforce key concepts, strengthening students' ability to think strategically and integrate core HR management principles into the decision making process. By mirroring the current landscape's increased reliance on smart people management strategy, this text underscores the importance of HR management in attracting and retaining the top talent that drives an organization forward.

Super Market Merchandising, 1962 *Manpower*, 1970 Strategic Staffing Jean M. Phillips, 2023-01-05. Formerly published by Chicago Business Press, now published by Sage. Strategic Staffing equips both current and future managers with the knowledge and skills to adopt a strategic and contemporary approach to talent identification, attraction, selection, deployment and retention. Grounded in research, this text covers modern staffing concepts and practices in an engaging and reader friendly format. Author Jean Phillips expertly guides students in developing a staffing strategy that aligns with business objectives, accurately forecasting talent needs, conducting thorough job or competency analysis, and strategically sourcing potential recruits. Strategic Staffing Jean Phillips, 2019-01-15. Formerly published by Chicago Business Press, now published by Sage. Strategic Staffing 4e prepares all current and future managers to take a strategic and modern approach to the identification, attraction, selection, deployment and retention of talent. Organizations increasingly realize that their employees are the key to executing their business strategies, and the current competition for talent has made the identification and attraction of high performing employees essential for companies to succeed in their marketplaces. The right employees give their organization a competitive advantage that sets it apart and drives its performance. In today's business environment, a company's ability to execute its strategy and maintain its competitive edge depends even more on the quality of its employees. And the quality of a company's employees is directly affected by the quality of its recruiting and staffing systems. Because hiring managers are involved in the staffing process, hiring managers and human resources HR professionals need to be familiar with strategic staffing techniques. Over the past 10 years, advancing technology and the increased application of data analytics have changed the practices of sourcing, recruiting and

staffing Strategic Staffing 4e is grounded in research communicates practical and modern staffing concepts and the role of staffing in organizational performance and is engaging to read The new edition contains updates to many sections on the roles of technology and analytics and adds more focus to the discussion of ethics that was added to the fourth edition New research findings were also incorporated and many company examples were updated The fifth edition of Strategic Staffing continues to present up to date staffing theories and practices in an interesting engaging and easy to read format
