Book 6 *When Breath Becomes Verse* Dr. Prabhakar Shankar, 2025-07-23

When Breath Becomes Verse A soul's journey from shattered silence to sacred strength

When Breath Becomes Verse is not just a book It's a heartbeat A battle cry A resurrection in rhyme This unforgettable poetic memoir penned by Dr Prabhakar Shankar chronicles the courageous rise of a man shaped by life's silent storms and sustained by unshaken hope

In the shadows of struggle that tested his spirit he chose not to break but to breathe with purpose He didn't fight with fury but with unshakable faith He didn't cry out in pain he turned his story into power and his breath into verse

Told in two soul stirring parts titled *The Story I Never Told* and *A Lifetime Carved in Writings* this book is not just a collection of poems but a resurrection in rhythm

It transforms pain into poetry suffering into sacred testimony and silence into a song of survival

Every verse carries the weight of a truth once buried in silence Every page bears a scar that

chose not just to heal but to shine This is not merely a story of survival it is a testament to the human spirit's power to rise to rebuild and to rewrite pain into purpose From the unseen wounds of childhood to the ache of love that vanished too soon and from the quiet fire of spiritual awakening to the strength it takes to rise after rejection When Breath Becomes Verse is not just brutally honest it is beautifully human It speaks in the voice of those who were never heard those who were almost broken and those who survived by becoming something greater It is written for the ones who cried alone behind closed doors for those whose love was left to die for the warriors who carried battles the world never saw and for those who rose not because they were ready but because life left them no other choice This book is not just a mirror It is a hand on your shoulder a whisper to your soul and a reminder that even shattered hearts can still arise to paint the world with the loudest purpose This is not poetry for performance This is poetry born in the dark for the nights that broke in silence It was carved in shadows forged through suffering and carried by breaths that refused to break These are not just lines on a page they are echoes of pain transformed into power When Breath Becomes Verse is a literary triumph a bestselling voice of resilience a hymn for the broken hearted and a timeless companion through the darkest nights where pain still breathes and every word transforms that pain into light
