How to Be a Capitalist Without Any Capital Nathan Latka, 2019-03-05 Instant Wall Street Journal Bestseller You don't need to be Ivy League educated have money be creative or even have an idea to get rich You just need to be willing to break the rules At nineteen I founded a software company with 119 in my bank account Five years later it was valued at 10.5 million I don't consider myself exceptionally brilliant I just realized something few people know You don't need lots of money or an original idea to get really rich Now I make more than 100,000 in passive income every month while also running my own private equity firm and hosting The Top Entrepreneurs podcast which has more than 10 million downloads This book will show you how I went from college dropout to member of the New Rich And I'm holding nothing back You'll see my tax returns my profit and loss statements my email negotiations when buying and selling companies It's time to forget your grandfather's advice I'll teach you how to be a modern opportunist investor entrepreneur or side hustler by breaking these four golden rules of the old guard 1 Focus on one skill Wrong Don't cultivate one great skill to get ahead In today's business world success goes to the multitaskers 2 Be unique Wrong The way to get rich is not by launching a new idea but by aggressively copying others and then adding your own twist 3 Focus on one goal Wrong Focus instead on creating a system to produce the outcome you want not just once but over and over again 4 Appeal to the masses Wrong The masses are broke 4k average net worth in America Let others cut a trail through the jungle so you can peacefully walk in and capitalize on their hard work By rejecting these defunct rules and following my unconventional path you can copy other people's ideas shamelessly bootstrap a start up with almost no funding invest in small local businesses for huge payoffs and reap all the benefits

Profit First Mike Michalowicz, 2017-02-21 Author of cult classics The Pumpkin Plan and The Toilet Paper Entrepreneur offers a simple counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability Conventional accounting uses the logical albeit flawed formula Sales Expenses Profit The problem is businesses are run by humans and humans aren't always logical Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula Sales Profit Expenses Just as the most effective weight loss strategy is to limit

portions by using smaller plates Michalowicz shows that by taking profit first and apportioning only what remains for expenses entrepreneurs will transform their businesses from cash eating monsters to profitable cash cows Using Michalowicz's Profit First system readers will learn that Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances A small profitable business can be worth much more than a large business surviving on its top line Businesses that attain early and sustained profitability have a better shot at achieving long term growth With dozens of case studies practical step by step advice and his signature sense of humor Michalowicz has the game changing roadmap for any entrepreneur to make money they always dreamed of Small Business, Big Vision Matthew Toren, Adam Toren, 2011-08-02 Lessons in applying passion and perseverance from prominent entrepreneurs In the world of entrepreneurship your vision solidifies your resolve when things get tough and it reminds you why you went into business in the first place Authors brothers and serial entrepreneurs Matthew and Adam Toren have compiled a wealth of valuable information on the passionate and pragmatic realities of starting your own business They've also gathered insights from some of the world's most successful entrepreneurs This book delivers the information that both established and budding entrepreneurs need explains how to implement that information and validates each lesson with real world examples Small Business Big Vision provides inspiration and practical advice on everything from creating a one page business plan to setting up an advisory board and also delivers a call to social entrepreneurship and sustainable business practices This powerful book Offers instruction in whether and how to seek investors Outlines the pros and cons of hiring employees and provides guidance on how to find the best outsourced workers Presents a comprehensive action plan for effective social media marketing Explains how to build an information empire and become an expert Small Business Big Vision proves that with a flexible mindset practical skills and the passion to keep pushing forward entrepreneurs can find success even in today's ever changing business landscape
