authentic selves as God intended by exploring more deeply the Enneagram tool paired with profound scriptural insights This book is a gem It s one of the top five books I recommend on the Enneagram Ian Morgan Cron author of The Road Back to You An accessible biblical and practical roadmap for anyone who wants to live fully into their true authentic God given identity I highly recommend it Brenda Salter McNeil author of Becoming Brave The Enneagram a system of nine interconnected personality types has been developed over many years to offer opportunities for personal development and provide a foundation for understanding others Now a certified Enneagram coach shows how a scriptural perspective can lead us to a path of freedom In Self to Lose Self to Find Marilyn Vancil unpacks our human dilemma sets the scriptural foundation explores the nine Enneagram personalities and shows us practical ways to have a more meaningful life and healthier relationships At its best the Enneagram doesn t merely describe who we are but shows us why we do what we do It invites us to see the innate gifts and inclinations of our original design the person we were before trials and traumas began to shape us It also reveals the strategies and false narratives that keep us from becoming who we re truly meant to be Vancil offers a compelling biblical case for the Enneagram by drawing from John 12 24 which describes how we like seeds construct a protective coat that helps us survive in a world where we encounter challenges and insecurities But for us to truly live a fruitful life we must allow the protective coat to soften and fall away in order to grow This is what sets Vancil apart as both a

seasoned Enneagram expert and a spiritual director Within a scriptural context she demonstrates how the Enneagram can be a vehicle for growth and transformation by laying out the realities of each Enneagram type affirming the inherent genius of each type showcasing the unhealthy tendencies of each type s false self and illuminating the undeniable path to freedom for each one Combining rich biblical wisdom with Enneagram wisdom and real life experiences this compelling resource is a must for anyone who longs for a happier freer life *Assembly West Point Association of Graduates (Organization).*,1970
