In 2003 additional agreements were signed in the fields of youth research and Euro-Mediterranean youth co-operation. Since 2005 the partnership between the European Commission and the Council of Europe in the field of youth activities has focused on the following topics: European citizenship, human rights education and intercultural dialogue, quality and recognition of youth work and training, better understanding and knowledge of youth and youth policy development. Activities organised within its framework gather representatives of those areas who share their knowledge and experience for the benefit of enhancing evidence-based policy practice, quality and recognition of youth work and training.
