Happy Accidents Jane Lynch, 2011-09-13 In the summer of 1974 a fourteen year old girl in Dolton Illinois had a dream A dream to become an actress like her idols Ron Howard and Vicki Lawrence But it was a long way from the South Side of Chicago to Hollywood and it didn't help that she'd recently dropped out of the school play The Ugly Duckling Or that the Hollywood casting directors she wrote to replied that professional training was a requirement But the funny thing is it all came true Through a series of happy accidents Jane Lynch created an improbable and hilarious path to success In those early years despite her dreams she was also consumed with anxiety feeling out of place in both her body and her family To deal with her worries about her sexuality she escaped in positive ways such as joining a high school chorus not unlike the one in Glee but also found destructive outlets She started drinking almost every night her freshman year of high school and developed a mean and judgmental streak that turned her into a real life Sue Sylvester Then at thirty one she started to get her life together She was finally able to embrace her sexuality come out to her parents and quit drinking for good Soon after a Frosted Flakes commercial and a chance meeting in a coffee shop led to a role in the Christopher Guest movie Best in Show which helped her get cast in The 40 Year Old Virgin Similar coincidences and chance meetings led to roles in movies starring Will Ferrell Paul Rudd and even Meryl Streep in 2009's Julie Julia Then of course came the two lucky accidents that truly changed her life Getting lost in a hotel led to an introduction to her future wife Lara Then a series she'd signed up for abruptly got canceled making it possible for her to take the role of Sue Sylvester in Glee which made her a megastar Today Jane Lynch has finally found the contentment she thought she'd never have Part comic memoir and part inspirational narrative this is a book equally for the rabid Glee fan and for anyone who needs a new perspective on life love and success
