WOMEN  
OF THE  
ASYLUM

JEFFREY L. GELLER & MAXINE HARRIS  
FOREWORD BY PHYLLIS CHESLER

# Women Of The Asylum Voices From Behind The Walls 1840 1945

**Jane Professor Ussher, Jane M. Ussher**

## **Women Of The Asylum Voices From Behind The Walls 1840 1945:**

*Women of the Asylum* Jeffrey L. Geller, Maxine Harris, 1994 Geller and Harris's accompanying history of both societal and psychiatric standards for women reveals that often even the prevailing conventions reinforced the perception that these women were mad

**Women of the Asylum** Maxine Harris, 1994

**Snake Pits, Talking Cures & Magic Bullets** Deborah Kent, 2003-01-01 Looks at how the mentally ill have been treated throughout history focusing on advances made in the 19th and 20th centuries regarding mental hospitals medications and social acceptance

**The Madness of Women** Jane Professor Ussher, Jane M. Ussher, 2011-03-28 Nominated for the 2012 Distinguished Publication Award of the Association for Women in Psychology Why are women more likely to be positioned or diagnosed as mad than men If madness is a social construction a gendered label as many feminist critics would argue how can we understand and explain women's prolonged misery and distress In turn can we prevent or treat women's distress in a non pathologising women centred way The Madness of Women addresses these questions through a rigorous exploration of the myths and realities of women's madness Drawing on academic and clinical experience including case studies and in depth interviews as well as on the now extensive critical literature in the field of mental health Jane Ussher presents a critical multifactorial analysis of women's madness that both addresses the notion that madness is a myth and yet acknowledges the reality and multiple causes of women's distress Topics include The genealogy of women's madness incarceration of difficult or deviant women Regulation through treatment Deconstructing depression PMS and borderline personality disorder Madness as a reasonable response to objectification and sexual violence Women's narratives of resistance This book will be of great interest to students and scholars of psychology gender studies sociology women's studies cultural studies counselling and nursing

The Routledge History of Madness and Mental Health Greg Eghigian, 2017-04-07 The Routledge History of Madness and Mental Health explores the history and historiography of madness from the ancient and medieval worlds to the present day Global in scope it includes case studies from Africa Asia and South America as well as Europe and North America drawing together the latest scholarship and source material in this growing field and allowing for fresh comparisons to be made across time and space Thematically organised and written by leading academics chapters discuss broad topics such as the representation of madness in literature and the visual arts the material culture of madness the perpetual difficulty of creating a classification system for madness and mental health madness within life histories the increased globalisation of knowledge and treatment practices and the persistence of spiritual and supernatural conceptualisations of experiences associated with madness This volume also examines the challenges involved in analysing primary sources in this area and how key themes such as class gender and race have influenced the treatment and diagnosis of madness throughout history Chronologically and geographically wide ranging and providing a fascinating overview of the current state of the field this is essential reading for all students of the history of madness mental health psychiatry and medicine

The Woman They Could Not Silence Kate

Moore,2021-06-22 From the New York Times USA Today and Wall Street Journal bestselling author of *The Radium Girls* comes another dark and dramatic but ultimately uplifting tale of a forgotten woman whose inspirational journey sparked lasting change for women's rights and exposed injustices that still resonate today Moore has written a masterpiece of nonfiction Nathalia Holt New York Times bestselling author of *Rise of the Rocket Girls* 1860 As the clash between the states rolls slowly to a boil Elizabeth Packard housewife and mother of six is facing her own battle The enemy sits across the table and sleeps in the next room Her husband of twenty one years is plotting against her because he feels increasingly threatened by Elizabeth's intellect independence and unwillingness to stifle her own thoughts So Theophilus makes a plan to put his wife back in her place One summer morning he has her committed to an insane asylum The horrific conditions inside the Illinois State Hospital in Jacksonville Illinois are overseen by Dr Andrew McFarland a man who will prove to be even more dangerous to Elizabeth than her traitorous husband But most disturbing is that Elizabeth is not the only sane woman confined to the institution There are many rational women on her ward who tell the same story they've been committed not because they need medical treatment but to keep them in line conveniently labeled crazy so their voices are ignored No one is willing to fight for their freedom and disenfranchised both by gender and the stigma of their supposed madness they cannot possibly fight for themselves But Elizabeth is about to discover that the merit of losing everything is that you then have nothing to lose Bestselling author Kate Moore brings her sparkling narrative voice to *The Woman They Could Not Silence* an unputdownable story of the forgotten woman who courageously fought for her own freedom and in so doing freed millions more Elizabeth's refusal to be silenced and her ceaseless quest for justice not only challenged the medical science of the day and led to a giant leap forward in human rights it also showcased the most salutary lesson sometimes the greatest heroes we have are those inside ourselves *The Woman They Could Not Silence* is a remarkable story of perseverance in an unjust and hostile world Susannah Cahalan New York Times bestselling author of *Brain on Fire* **Sickness and Health in America** Judith Walzer Leavitt, Ronald L. Numbers, 1997 Adds 21 new essays and drops some that appeared in the 1984 edition first in 1978 to reflect recent scholarship and changes in orientation by historians Adds entirely new clusters on sickness and health early American medicine therapeutics the art of medicine and public health and personal hygiene Other discussions are updated to reflect such phenomena as the growing mortality from HIV homicide and suicide No index Annotation copyrighted by Book News Inc Portland OR *Carry A. Nation* Fran Grace, 2001-07-20 *Carry A Nation* Retelling the Life Fran Grace The story of one of America's most notorious and misunderstood women Carry Nation was 54 when she smashed her first saloon but her life before she started her infamous hatchet crusade has been little known until now In this first scholarly biography of Nation Fran Grace unfolds a story that often contrasts with the image of Nation as Crazy Carry a bellicose blue nosed man hating killjoy Using newly available archival materials and placing Nation in her various historical and cultural contexts Grace retells the crusader's tumultuous life Brought up in antebellum Kentucky Nation lived through the devastation of the

Civil War and endured a failed marriage to an alcoholic physician In her early 20s a single mother and a destitute widow she experienced a spiritual crisis Her second marriage to a much older David Nation grew strained under the failure of their Texas farm her exploration into Holiness religion and her attempts to work outside the home When the couple moved to Kansas Nation's disappointments translated into an agenda for social reform Frustrated by the rampant violations of the state's prohibition law and empowered by a sense of divine mission Nation responded with rocks crowbars and hatchets Though much of her last two decades was spent on stage or in jail and in battles with other family members over the future of her unstable adult daughter she edited two newspapers and founded several homes for abused and needy women This complexly woven and delightfully written biography adds depth to the popular image of Carry Nation situating her at the center of major cultural currents in her time Fran Grace is Assistant Professor of Religious Studies at the University of Redlands Religion in North America Catherine L Albanese and Stephen J Stein editors May 2001 400 pages 57 b w photos 6 1 8 x 9 1 4 bibl index append cloth 0 253 33846 8 35 00 s 26 50

**Nightmare Factories** Troy Rondinone, 2019-09-24 How the insane asylum came to exert such a powerful hold on the American imagination Madhouse funny farm psychiatric hospital loony bin nuthouse mental institution no matter what you call it the asylum has a powerful hold on the American imagination Stark and foreboding they symbolize mistreatment fear and imprisonment standing as castles of despair and tyranny across the countryside In the asylum of American fiction and film treatments are torture attendants are thugs and psychiatrists are despots In *Nightmare Factories* Troy Rondinone offers the first history of mental hospitals in American popular culture Beginning with Edgar Allan Poe's 1845 short story *The System of Dr Tarr and Prof Fether* Rondinone surveys how American novelists poets memoirists reporters and filmmakers have portrayed the asylum and how those representations reflect larger social trends in the United States Asylums he argues darkly reflect cultural anxieties and the shortcomings of democracy as well as the ongoing mistreatment of people suffering from mental illness *Nightmare Factories* traces the story of the asylum as the masses have witnessed it Rondinone shows how works ranging from *Moby Dick* and *Dracula* to *One Flew Over the Cuckoo's Nest* *Halloween* and *American Horror Story* have all conversed with the asylum Drawing from fictional and real accounts movies personal interviews and tours of mental hospitals both active and defunct Rondinone uncovers a story at once familiar and bizarre where reality meets fantasy in the foggy landscape of celluloid and pulp

*Plato's Ghost* Cathy Gutierrez, 2009-09-03 *Plato's Ghost* examines the Spiritualist movement as the legacy of European esoteric speculation particularly Platonic ideals transformed on a new continent Jacket cover
