365 Meditations for Men by Men Sally D. Sharpe,2010-09-01 Introduction Man s search for meaning is the primary motivation in his life Viktor Frankl Man s Search for Meaning There is a longing deep within every man s heart to discover meaning and purpose in life to lead a life of significance as opposed to a life of success to live a life of adventure conquest and victory to make a difference and leave a positive enduring mark on the world Yet as Henry David Thoreau observed The mass of men lead lives of quiet desperation Although Thoreau penned these words

more than a century ago they still ring true today So many men including devoted Christian men wake up one day and realize they are leading lives of quiet desperation silently losing themselves as they strive to meet unrealistic expectations overcome mounting work and family pressures and battle unrelenting temptations These challenges can easily sidetrack men causing them to lose their spiritual focus Whether consciously or unconsciously many men subsequently spend their time and energy and resources searching for significance in pursuits and people and things that can never fully satisfy Some simply give up on ever finding lasting meaning and purpose in this world Others find themselves somewhere in between In any case the result is often the same a pervading sense of exhaustion futility or hopelessness Yet there is a remedy to this cultural epidemic and it is found in reclaiming and living out every man s true purpose which is found in God alone As Saint Augustine wrote Thou hast made us for Thyself O Lord and our hearts are restless until they rest in Thee The apostle Paul expressed it this way Everything absolutely everything above and below visible and invisible everything got started in Christ and finds its purpose in him Colossians 1 16 The Message 365 Meditations for Men by Men is intended to help men focus on their relationship with God and consequently find real meaning and purpose in life Twelve different Christian men share their reflections on what it means to be a man who seeks to follow Christ each and every day Drawing upon the lives of men in the Bible as well as their own personal experiences the writers present timeless truths and valuable life lessons that will speak to men of every age and experience In addition to offering inspiration and encouragement they provide counsel on practical matters such as how to know God get your priorities in order become spiritually fit be holy and righteous make a difference be equipped step up take risks stand firm serve God wholeheartedly As you make your way through the year whether you start in January or June you will be undergirded by a sense of brotherhood an assurance that you are not alone on this journey With this confidence may you boldly and courageously pursue a full and abundant life in Christ S D Sharpe editor **The Stature of a Perfect Man** Lerrigo J,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
