To Kill A Mockingbird Classroom Questions:

To Kill a Mockingbird Classroom Questions Amy Farrell, 2015-06-30 Scene by Scene guides are teaching resources. They are short books of questions designed to save teachers time and lead to rewarding classroom experiences. Each guide is broken down by scene or chapter to match and complement the text it accompanies. This means that the teacher is provided with a clear list of questions at every stage of teaching the text. These questions can be used in class or as homework and so provide underlying structure to lesson planning. Scene by Scene Classroom Questions contain both closed comprehension testing questions and open higher order questions exploring student response, opinion, and analysis. Closed questions can be used to check understanding and make sure students are on task while open questions promote thinking and reflection. In this way, Scene by Scene Classroom Questions keep students engaged with and focused on the text and involved in classroom discussion. **To Kill a Mockingbird Classroom Questions** is a teacher's resource intended for use in lesson planning and in the classroom.
