To Possess The Land Biography Arthur Rochford Manby:

To Possess the Land Frank Waters, 1993 Ambitious and only twenty four years old Arthur Manby arrived from England to the Territory of New Mexico in 1883 and saw in its wilderness an empire that he believed himself destined to rule For his kingdom he chose a vast Spanish land grant near Taos a wild 100 000 acres whose title was beyond question Obsessed he poured more than twenty years into his dream of glory and schemed stole lied cajoled begged and bribed to take the vast grant from its rightful owners With great mastery Waters draws us into this obsession and the intense drama of these years is at once psychological and historical In May 1913 Manby came at last to possess the grant but within three years it had slipped again from his grasp The story does not end there and perhaps only Frank Waters could have portrayed the strange disintegration of Manby s personality as he aged his frantic but ingenious efforts to regain his land Among these was the creation of a secret society which terrorized whole towns and villages becoming so powerful that even Manby no longer knew all its members and workings At the same time he turned deeper inward locked and bolted his gates against the outside world which hated and feared him more than ever On July 3 1929 a swollen headless body was discovered in Manby s Taos home Some said it was murder others swore the body was not Manby s still others reported seeing him alive afterward The story blazed into national headlines and an official inquiry followed Step by step Waters takes us into the web of strange clues evidence more murders and complications an investigation which the New Mexican government inexplicably called to a halt The case remains one of the West s greatest unsolved mysteries
