Lewis, 2019-08-27 Good bye Son and Other Stories Janet Lewis s only collection of short fiction was first published in 1946 but remains as quietly haunting today as it was then Set in small communities of the upper Midwest and northern California in the 30s and 40s these midcentury gems focus on the quiet cycles connecting youth and age despair and hope life and death A mother s encounters with her deceased son an aging woman sitting with the new knowledge of her troubled older sister s death and a teenager disillusioned by her own mortality are among the characters mostly women and girls whom Lewis delivers Her understated style and knack for unadorned observation embed us with them as they reckon with the disquieting forces incomprehensible and destructive to some enlightening to others that move us from birth through life to death In the process Lewis has crafted a paean to the living [After Dark, and Other Stories](#) Wilkie Collins, 1899 *Milk and Other Stories* Simon Fruelund, 2013 The 14 stories in this collection display the often quiet inconspicuous way in which terrible truths and experiences are intimated the death of a sailboarder makes a widower see deeper into love and loss a young poet visits his former teacher only to discover he is literally not the person he used to be a middle aged man glimpses the terrible humdrum of his third marriage as his son embarks on a new chapter in his life Conveyed without grandeur or pathos the revelations in these minimalist stories demonstrate clearly and effectively Fruelund s gift of subtlety and nuance like scenes from life characters dramas are played out in brief but brilliant flashes Ranging across the wide arc of human experience from the comic to the tragic each piece explores the complex emotions of the human heart **Trial by Social**
