Deborah Jolley

Tobira Japanese And English Edition:

Trans-Pacific Racisms and the U.S. Occupation of Japan Yukiko Koshiro, 1999 The U S occupation of Japan transformed a brutal war charged with overt racism into an amicable peace in which the issue of race seemed to have disappeared During the Occupation the problem of racial relations between Americans and Japanese was suppressed and the mutual racism transformed into something of a taboo so that the two former enemies could collaborate in creating democracy in postwar Japan In the 1980s however when Japan increased its investment in the American market the world witnessed a revival of the rhetoric of U S Japanese racial confrontation Koshiro argues that this perceived economic aggression awoke the dormant racism that lay beneath the deceptively smooth cooperation between the two cultures This pathbreaking study is the first to explore the issue of racism in U S Japanese relations With access to unexplored sources in both Japanese and English Koshiro is able to create a truly international and cross cultural study of history and international relations [Bibliography of Agriculture](#) ,1976

Planting Design: Seaside and Shelter Deborah Jolley, 2013-04-04 Designing a garden by the sea poses special problems for the designer High winds and salt spray can wreak havoc with planting schemes and the need to provide sheltered areas for sitting and entertaining may be difficult to achieve On the positive side the proximity of the sea greatly reduces the chances of damaging spring frosts so the designer may choose from a far wider palette of plants than is possible further inland including the exotic and sub tropical species currently in vogue A balance between providing

sufficient shelter to satisfy the client's needs and allowing views to the sea to be maintained and enhanced is the challenge facing every designer. The book explains the particular process of analysis needed for maritime environments: the effects of wind and salt spray and the microclimates created by sea and wind. The establishment and maintenance of shelter belts is fully explained together with practical information about the choice and implementation of planting schemes. A suggested list of suitable plants for windswept sites is included. Each chapter is accompanied by case studies of actual coastal gardens.

Paradise Found Norman Winter, 2001-08-21. Loaded with plants that conjure visions of tropical islands and pina colodas. *Paradise Found* makes real every gardener's dream of living in a private Eden. *San Francisco Municipal Reports ...* San Francisco (Calif.), 1889. *A Check List of Broad Leaf Evergreens for the Southeastern States* Major Franklin Spaulding, 1928. *Sunset Garden Book* Sunset magazine, 1932. *Island Gardens* Jackie Bennett, 2018-09-04. From Tresco to Lindisfarne, Anglesey to Sark, travel around the British Isles and discover the most beautiful and extreme island gardens on this visually stunning tour. The British Isles consist of more than 6 000 islands scattered around the main islands of Britain and Ireland. More than 100 of these British off shore islands are inhabited and where there are people there are gardens. Lighthouse gardens, gulf stream soaked tropical gardens, windswept remote gardens with giant and ancient yew trees and gardens surrounding castles and monasteries of historical significance. Encounter a huge variety of habitats and gardening conditions from coastal machair to woodlands, mountains, dunes and meadows and explore a wide range of aspects from shady dells to sunny banks, deep soiled productive gardens to rocky alpine slopes. While they can differ dramatically with regards to aesthetics, what all island gardens share is the special light, magical atmosphere and indefinable magic that a proximity to water can bring. Here Jackie Bennett reveals the challenges their gardeners face, the designs required in such extremes and the skills their gardeners have mastered to survive and thrive, accompanied by stunning photography by garden and drone photographer Richard Hanson. *Park and Cemetery and Landscape Gardening*, 1906. *Modern Cemetery*, 1913. *Gardening in California* Sydney Bancroft Mitchell, 1923. **Annual Report ...** University of Arizona.
