Raising a Difficult, Elderly Parent Daisy Crockett,2017-01-23 Imagine as a daughter and caregiver constantly hearing your elderly mom say If I had a gun I would kill you and Everyone says you are a terrible daughter Imagine the incredible pain those words and others equally destructive caused within the heart of the daughter whose only goal was to take care of her mom as the woman who raised her fell into the clutches of dementia depression arthritis and pain medication addiction Raising a Difficult Elderly Parent chronicles the journey taken by author Daisy Crockett as she her family and others struggled to provide care safety and the proper quality of life for her incredibly difficult parent Filled with situations Daisy felt blindsided by each can reveal to you things to learn about should you see the same scenarios taking place with your elderly loved one and before those situations spin out of control How does a child who becomes a caregiver for an angry parent work to honor that parent as the Lord commands even though the constant attacks begin to take a toll and almost pushes the child caregiver over the edge What does the child caregiver do when the parent is suffering from things the

parent can't control or those things they refuse to control How does the child caregiver find capable and dependable folks willing to help out on occasion And to make it more difficult how does the one responsible for that elderly parent handle all the situations totally unfamiliar to them things such as medications home health care nursing homes and Medicaid Raising a Difficult Elderly Parent does not reveal the people or places involved so no one in will experience anymore pain The words are written from the heart in the hope that honoring one's father and mother as the Lord says to do will be far less difficult for you than it was for Daisy Crockett and her family

Witch Hunt Layla Nash,2018-07-09 Deirdre Baker did a magical favor for a bunch of shapeshifters and barely lived to regret it She has enough trouble paying the bills and keeping her coven off her back without worrying about whether some wolf alpha dies of poison But when Miles I always get my way Evershaw orders his pack to kidnap her Deirdre finds herself in over her head before she can even hex the infuriating man Miles Evershaw didn't expect the witch to be cooperative not after the pack hunted her down and he never imagined she'd be young and beautiful and completely out of her mind But when she saved his life twice and he catches a glimpse of the kind funny woman underneath the magic the wolf alpha knows he needs her in his life Even if it means getting hexed a lot Deirdre wants freedom and Evershaw needs control He expects to be obeyed and she flaunts the rules With the coven searching for Deirdre for its own reasons and half the city trying to kill Evershaw can they survive long enough to stop arguing and finally agree to love

My Father Before Me Chris Forhan,2017-05-09 The fifth of eight children Chris Forhan was born into a family of silence His mother and father often sat in the same room but exchanged no words He and his siblings learned without being told that certain thoughts and feelings were not to be shared On the evenings his father didn't come home the rest of the family would eat dinner without him his whereabouts unknown his absence pronounced but unspoken And on a cold night just before Christmas 1973 long after dinner the rest of the family asleep Forhan's father killed himself in the garage a new silence Forty years later Chris speaks into the quiet his father left behind digging into his family's past and finding within each generation the same abandonment loss and silence in which he was raised Like Ian Frazier in *Family* or Philip Roth in *American Pastoral* Forhan shows his family as both a part and a product of its time *My Father Before Me* is a family history an investigation into a death and a stirring portrait of an Irish Catholic childhood all set against a backdrop of America from the Great Depression to Elvis Costello Lucidly and unflinchingly Forhan attempts to understand his father and ultimately himself in order to avoid passing his family's silence on to his children To separate this silence from the introversion that inspires him as a writer he courageously confronts it telling the story that his family will not tell and piecing together the fragments of the life that his father chose to leave Provided by publisher
