The Monomyth Reboot Nadia Salem,2023-12-12 In this book Nadia Salem examines and questions the enduring relevance of the monomyth or the hero s journey for storytellers and their audiences Created by Joseph Campbell and largely popularized by George Lucas the hero s journey has come to define mythic quests for all However in recent years this genderless paradigm has lost its appeal as a repetitive Bildungsroman and as a result Salem argues for the inclusion of the heroine s journey as a K ntlerroman and a voice of alterity Where the hero s journey reflects a coming of age the heroine s journey reflects a coming of middle age

which are arguably equally necessary for the complete fulfillment of character Taking a fresh look at the monomyth Salem analyzes the narratives of Eros and Psyche Jane Eyre and Titanic to argue for an emphasis on the integration of both the hero's and the heroine's journeys Ultimately this book demonstrates how the monomyth as rebooted turns monomythic mythopoesis into fertile ground for the kinds of epiphanies demanded by transmodernism Scholars of film studies communication composition and mythology will find this book of particular interest
