hopefulness had almost vanished from business life and everyone was overwhelmed with fear that Mr Claude M Bristol my close business associate of many years standing astounded me by relating a most amazing experience in having found that something for which he had been searching many years As he revealed the truths which had come to him I at first was skeptical but as he took me along with him I too began to see the light which only stimulated my ambition for further knowledge of the theme of how to live powerfully by adopting that science which relates to the development of the human personality I realized that there was a great change for good coming over myself and sensed the possibilities of what could be done if the members of our own organization put the author s teachings into practice and forthwith arrangements were made for him to talk to our entire staff The immediate response of every member of our organization in demanding a copy followed by the most remarkable transformation of individuals and organization brought home the positive conviction to me that the message contained in his theme was exactly what the world most needed and that a great service could be rendered by publishing same for general distribution In T N T It Rocks the Earth you are told exactly how to acquire a wonderful secret that Power or whatever you wish to call it which when accepted and developed through a process of right thinking creates a philosophy of life which sweeps away all obstacles and brings that which every human desires success happiness and contentment If it were not for the fact that I am intimately acquainted with the author I would pause to wonder where he acquired those facts and principles which he sets forth in his story but suffice to say that I know that he knows what he is talking about and he clearly outlines a system of mechanics which can be used by every one irrespective of his or her walk in life Do exactly as he says put his plan into operation and I also promise you that almost over night you will be transformed and the things for which you have wished all your life will be yours Your fears trials and tribulations will fade into the mists The door of yesterday will be closed forever A grand and glorious feeling will engulf you and you will smile and when you do the world will smile with you I know it I believe it and it is so From the Forward Get Your Copy Now
