

For a very Special Friend

If I could catch a rainbow
I would do it just for you
And share with you its
beauty

On the days you're feeling
blue.

If I could build a
mountain

You call your very own
A place to find serenity
A place to be alone.

If I could take your
troubles

I would toss them out to
sea

But all these things I'm
finding

Are impossible for me.

I cannot build a mountain
Or create a rainbow fair

But let me be what I
know best

A friend that's always
there.

expected to show up was Ellie his best friend's little sister. She was much younger, sweet as pie and completely off limits. But cozy nights by the fire turned into stolen glances. Before he knew it she was in his arms. One kiss changed everything. The chemistry between them was undeniable. The torch they both secretly held for each other burned brightly. But there were real risks too. Namely if Ellie's brother found out that Henry had touched his precious baby sister, he would have a meltdown. As the snow melted, Henry would have to decide between risking his oldest friendship for a chance with Ellie or walking away from the one woman he could never forget. Tropes: Best friend's little sister, snowed in, spicy, just one bed, pining, family saga.

Best Friendship Beacons B L. Gordon, 2012-02. *Best Friendship Beacons* is a collection of personal life reflections regarding best friendship connections. The reader will come to appreciate how life is made more rewarding as you discover the beauty of having a lasting best friend relationship. This creative work is very insightful, delightful, amusing, and sobering as it targets numerous best friend relationship scenarios. B L. Gordon skillfully demonstrates how life is made more beautiful when a best friend mirrors your goodness as your double. That's when you discover that you are not alone. That is the beginning of realizing that you have an inner source that is your essence, which reaffirms the fact that you are innately good and deserving of being happy as you attract another individual in your life with the same kindred spirit. What an awesome experience: two individuals agamically bonding and sharing a relationship based on unconditional and unselfish love.

Her Best Friend's Keeper Calle J. Brookes, 2016-08-26. TEN YEARS THREE MONTHS SIXTEEN DAYS. That was how long it had been since she had felt safe. As a teenager, Gabby Kendall witnessed the execution of her best friend's family. Those images haunt her every day. Now the killers are back. They know who she is, where she lives, and who her friends are. They know everything about her. He has the TSP to run and a woman to protect. Police Chief Elliot Marshall had lost almost his entire family when they'd been murdered ten years ago. Now he is back in Finley Creek searching for the killers. He won't stop until he has the answers and the killers behind bars where they belong. When the threat gets far too close to Gabby, Elliot makes a vow. He isn't about to let anyone hurt the woman who had been his murdered sister's best friend. The only place she feels safe is next to him. But the price of that safety may be someone else close to her. Close to him. And one thing is clear: they can't lose someone else they love like that ever again.

His Best Friend's Wife Gina Wilkins, 2012-07-24. He was her late husband's best friend, the man she'd been warned to avoid, the man she'd always found irresistible. Now he was back, unavoidable and attractive as ever. Renae Sanchez, after years of grieving what was not to be, had finally put her life back together again. She had her adorable little twins, her job, her friends. It was enough; it had to be. And then Evan Daugherty walked into her office and into her life once more, making her believe that when it came to love, once in a lifetime might strike twice.
