H. PAUL HONSINGER

The background of the cover is a dynamic space battle. A large, dark spaceship is being destroyed, with bright orange and yellow flames and smoke billowing from its rear. Several smaller, sleeker spacecraft are engaged in combat, leaving streaks of light and energy. In the foreground, a man in a dark blue military uniform with gold epaulettes and a pilot's wing emblem stands with a serious expression. He is positioned in front of a metallic, futuristic structure that appears to be part of a spaceship's interior or a command center. The overall color palette is dominated by the oranges and yellows of the explosion, the blues of the uniforms and ships, and the dark blacks of space.

Richard,2010-04-16 This engaging yet deeply informed work not only examines Roman history and the multitude of Roman achievements in rich and colorful detail but also delineates their crucial and lasting impact on Western civilization Noted historian Carl J Richard argues that although we Westerners are all Greeks in politics science philosophy and literature and all Hebrews in morality and spirituality it was the Romans who made us Greeks and Hebrews As the author convincingly shows from the Middle Ages on most Westerners received Greek ideas from Roman sources Similarly when the Western world adopted the ethical monotheism of the Hebrews it did so at the instigation of a Roman citizen named Paul who took advantage of the peace unity stability and roads of the empire to proselytize the previously pagan Gentiles who quickly became a majority of the religion s adherents Although the Roman government of the first century crucified Christ and persecuted Christians Rome s fourth and fifth century leaders

encouraged the spread of Christianity throughout the Western world In addition to making original contributions to administration law engineering and architecture the Romans modified and often improved the ideas they assimilated Without the Roman sense of social responsibility to temper the individualism of Hellenistic Greece classical culture might have perished and without the Roman masses to proselytize and the social and material conditions necessary to this evangelism Christianity itself might not have survived

Interpretative Expository Winter Quarter 2020 (Dec-Feb) Church Of God In Christ Publishing House, 2020-12-02 Sunday School across America is on a decline Biblical literacy is at an unprecedented low amongst believers and it seems as if there is no end to where this could lead to in our churches The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material Enlisting help from scholars across the country the department wrote the Interpretative Expository an exposition for each lesson of the Sunday School curriculum Also to assist pastors preachers missionaries and laity with sermon subjects and preparation our team has included a sample sermon outline from one of the lessons Reemphasize the message of Sunday

School by preaching a message from the text of the lesson A Matter of the Heart Stan Lemke, 2015-11-17 The Parables are instructive stories that Jesus told while teaching His disciples and the crowds who came to hear Him Memory can be fickle Facts and details fade despite our efforts to keep them fresh but when they are wrapped in an exciting story we can recall them with clarity Consequently Jesus taught using stories parables so that our memories would be invigorated and we would remember these lessons for years if not for a lifetime In A Matter of the Heart we will study eighteen parables Jesus taught These are some of the most important if not the most important lessons He wants us to understand and remember We will study the parable of the Prodigal Son wherein we will come to know the meaning of sin of repentance forgiveness and the grace of a loving father In the parable of the Good Samaritan we will see that Gods desire for mercy trumps obligation and duty and we will see through this man a model of Jesus our Good Samaritan We will study the Kingdom of Heaven parables for a picture of the kingdom that Jesus established and come to understand what it means to be a citizen thereof We will explore the parable of the Wedding Feast which reveals an awesome future event wrapped around a marriage that God the Father arranged for Jesus His son We will look at the wise and the foolish the just and the unjust We will get a glimpse of heaven itself through the lens of Jesus teachings We will study His instruction about prayer the dangers of ingratitude and a cold heart the true measure of success and the meaning of stewardship Jesus taught using parables each and every one a blessing each A Matter of the Heart *Elementally Speaking* Cheri Barstow, 2006 Have you ever wondered who are the Elementals or Nature Spirits Why do these beings exist and what if anything do they have to do with our world Are there really such things as Devas and who or what exactly is that legendary figure known as Pan Read along as they explain to you in their own words who they are what they do and why they exist You will come to understand that each plant and tree each flower and bush has a certain job to do a job that each of them has chosen to benefit everyone in our world You will soon discover that each Nature Spirit has their own talents and opinions often having to do with such current issues as genetically modified foods or the Earths energy grid They will explain the beauty in growing old and the wonder of rebirth all with an intelligence and beauty that we in our world could never imagine Yes the Elemental Kingdom does exist and they ask you to enter their world as they personally explain it all to you *Elementally Speaking* of course **Feasting on the Word Worship**
