Wind in the Wilderness DJ del Rosario,2016-12-20 Though we cannot see the wind we know it by its effects and interpret it by its results The same can be said for the work of the Hebrew prophets who communicated God s vision of justice and faithfulness throughout the history of God s people As they spoke of this vision the wind was moving giving us a hint of Jesus who was to come This study focuses on the Hebrew prophets and their message of justice calling readers to turn their attention to issues of justice in today s world Each chapter explores a different prophet or prophets highlighting how God s word through them challenged the Israelite people and us to live out God s vision of justice These prophetic messages find their fulfillment in the life and ministry of Jesus preparing the way for his teaching healing death and resurrection Readers will not merely study prophecies about Jesus but will explore the continuity between the prophetic emphasis on justice and Jesus proclamation of the kingdom of God This Bible study is designed to be used by individuals and small groups during the season of Lent In addition to the main content each chapter offers questions for reflection and discussion a brief prayer and a focus for the week The weekly focus emerges from the chapter content and encourages the readers to engage a spiritual practice or do something specific that will help them grow in faith
