To Walk In Seasons An Introduction To Haiku

Tim Smolko, Joanna Smolko

To Walk In Seasons An Introduction To Haiku:

To Walk in Seasons William Howard Cohen, 2004-09-15 *To Walk in Seasons* is designed to help the beginner discover haiku for himself and eventually create his own haiku poems. It includes a lively and sensitive introduction on the nature of haiku. For individual study or for use in the classroom, it also contains a study guide aimed at recreating the thought processes behind this terse concentrated form. Mr. Cohen's poetry like his anthology illuminates poetic experience. *To walk in seasons* is to discover what's inside a split instant. *To walk in seasons* passing through a dry gate into a rainstorm. *To walk in seasons* is to wake and find you really are Mr. Cohen's haiku and other poems have appeared in many well known literary periodicals such as *Literature East and West* and *American Haiku*. He is the author of *The Hill Way Home* and *A House in the Country* and his works have been praised by such eminent poets as Peter Viereck and Mark Van Doren. He was elected in 1963 to membership in the Poetry Society of America. Mr. Cohen won the title of United States Olympic Poet representing the United States in Mexico City in 1968 and in 1969 he honored at the World Congress of Poets in Manila. **To Walk in Seasons**, 1972 To Walk in Seasons William Howard Cohen, 1972 **To Walk in Seasons** William Howard Cohen, 1972

Circle David Lloyd, 1993-01-15 David Lloyd's verses are a genuine contribution to the literature of haiku. They capture an image, a moment in time and engrave it in the memory for all time. This is the mark of good haiku as indeed it is of good verse in general. His haiku can excite the senses as in *See the sharp needles forever sewing the sky To the pine branches Free of irony except the irony of nature which sets the tone calls the shots with a not always recognizable impartiality their perceptions are too clear for comment Flowing downstream Between the mountain pines A bird's embryo Dogwood blossoms Their edges turning brown Recalling legends Poetic magic raised to a higher power by the author's pen and ink vignettes complementing each verse Eye pleasing and evocative these sketches open little doors to experience* **Masaoka Shiki** Shiki Masaoka, 1997 These poems more than a hundred haiku several tanka and three kanshi are arranged chronologically within each genre revealing the development of Masaoka Shiki's 1867-1902 art and the seamless way in which he wove his life and illness into his poetry. Watson's introduction deftly explores the course of Shiki's life and places him in relation to Japanese history, literature and thought. *Seventeen Syllables* Hisaye Yamamoto, 1994 Hisaye Yamamoto's often reprinted tale of a naive American daughter and her Japanese mother captures the essence, the cultural and generational conflicts so common among immigrants and their American born children. On the surface *Seventeen Syllables* is the story of Rosie and her preoccupation with adolescent life. Between the lines however lurks the tragedy of her mother who is trapped in a marriage of desperation. Tome's deep absorption in writing haiku causes a rift with her husband which escalates to a tragic event that changes Rosie's life forever. Yamamoto's disarming style matches the verbal economy of haiku in which all meaning is contained within seventeen syllables. Her deft characterizations and her delineations of sexuality create a haunting story of a young girl's transformation from innocence to adulthood. This casebook includes an introduction and an

essay by the editor an interview with the author a chronology authoritative texts of Seventeen Syllables 1949 and Yoneko s Earthquake 1951 critical essays and a bibliography The contributors are Charles L Crow Donald C Goellnicht Elaine H Kim Dorothy Ritsuko McDonald Zenobia Baxter Mistri Katharine Newman Robert M Payne Robert T Rolf and Stan Yogi

Atomic Tunes Tim Smolko, Joanna Smolko, 2021-05-11 What is the soundtrack for a nuclear war During the Cold War over 500 songs were written about nuclear weapons fear of the Soviet Union civil defense bomb shelters McCarthyism uranium mining the space race espionage the Berlin Wall and glasnost This music uncovers aspects of these world changing events that documentaries and history books cannot In Atomic Tunes Tim and Joanna Smolko explore everything from the serious to the comical the morbid to the crude showing the widespread concern among musicians coping with the effect of communism on American society and the threat of a nuclear conflict of global proportions Atomic Tunes presents a musical history of the Cold War analyzing the songs that capture the fear of those who lived under the shadow of Stalin Sputnik mushroom clouds and missiles

Japanese Yoko Hasegawa, 2015-01-08 A succinct overview of the Japanese language looking at grammar vocabulary meaning and sound structure as well as sociolinguistics and history

Poetic Designs Stephen Adams, 1997-04-07 There are numerous introductions to poetry and prosody available but none at once so comprehensive and so accessible as this With the increasing emphasis on free verse the past generation has developed a widespread impression that the study of poetic meter is old fashioned or even that form doesn t matter in poetry It is an impression that has not been dispelled by the emphasis of some of the existing texts in the area on forms that are now rare or outmoded The irony is that simultaneously in the past decade interest in formal matters among many poets and literary scholars has been on the increase the reality is that prosody is today on the cutting edge of literary studies Stephen Adams text provides a full treatment of traditional topics from the iambic pentameter through other accentual syllabic rhythms trochaic dactylic and so on and covering as well other metrical types stanza structure the sonnet and other standard forms Adams also includes a variety of topics not covered in most other introductions to the topic perhaps most significantly he provides a full chapter on form in free verse Moreover he treats rhyme extensively and includes a comprehensive chapter on literary figures Poetic Designs is thus much more than an introduction to prosody it is a concise but comprehensive introduction to the nature of poetry in English It is a book for the general reader and the aspiring writer as well as for the student a book intended in the words of the author to help heighten the experience of poetry

The Haiku Form Joan Giroux, 1974 A brief guide to the Japanese poetic form focuses on the history of haiku and the problems of translation and on writing original haiku in English Discussions of the variations which haiku may take of the development of poetic techniques and of the understanding of the haiku moment are interspersed with characteristic poems translated from the Japanese and with original haiku in English
