Apostle Jimmie James

To Follow Yahweh's Plan:

First and Second Kings Richard D. Nelson, 2012-08-01 Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry *The Book of Exodus* Brevard S. Childs, 2004-01-01 Taking a pioneering approach to commentary writing Brevard Childs gives an entirely original treatment to the book of Exodus Apart from the philological notes and translation this commentary includes a form critical section looking at the growth of the tradition in its previous stages a consideration of the meaning of the text in its present form and a consideration of its meaning in its total Old Testament context The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing Reading the Latter Prophets Edgar W. Conrad, 2004-04-01 Edgar W.

Conrad focuses on the prophetic books as composite collections and shows that 1 prophets are characters in the text depicted as figures of the past whose words are significant for a later time 2 reading and writing play a central role in the depiction of prophets 3 prophetic books are presented as written words available to later generations through reading 4 that read as a whole the latter prophets depict the end of prophecy and the emergence of messengers of the Lord Reading the Latter Prophets is an important contribution to the problems of both the formation and function of the prophetic literature

Introduction to the Bible Christine Hayes, 2012-10-30 This book examines the small library of 24 books common to all Jewish and Christian Bibles books that preserve the efforts of diverse writers over a span of many centuries to make sense of their personal experiences and those of their people the ancient Israelites Professor Christine Hayes guides her readers through the complexities of this polyphonous literature that has served as a foundational pillar of Western civilization underscoring the variety and even disparities among the voices that speak in the biblical texts The Book of Jeremiah John Goldingay, 2021-12-07 Of the Major Prophets Jeremiah is perhaps the least straightforward It is variously comprised of stories about the prophet Jeremiah exchanges between Jeremiah and Yahweh and messages directly from Yahweh meaning a consciousness of form is essential to the understanding of its content At times it is written in poetry resembling Isaiah while at other times it is written in prose more similar to Ezekiel And it is without doubt the darkest and most threatening of the Major Prophets inviting comparisons to Amos and Hosea John Goldingay a widely respected biblical scholar who has written extensively on the entire Old Testament navigates these complexities in the same spirit as other volumes of the New International Commentary on the Old Testament series rooted in Jeremiah's historical context but with an eye always trained on its meaning and use as Christian Scripture After a thorough introduction that explores matters of background composition and theology Goldingay provides an original translation and verse by verse commentary of all fifty two chapters making this an authoritative and indispensable reference for scholars and pastors as they engage with Jeremiah from a contemporary Christian standpoint **Seize the Day with Yahweh** Jim Harvey, Val Harvey, 2015-11-03 God wants you to know His name

and what this sacred name means for you every day Welcome to a daily experience that can transform your way of thinking about God yourself and your life This devotional tour with Jim and Val Harvey visits all sixty six books of the Bible revealing the nature of God s sacred covenantal name Yahweh Yeshua and showing you how to claim all the strength guidance wisdom and power He supplies Each day s selection in this year round devotional introduces you to the Great I AM in a format that combines biblical text with commentary Yahweh in the Word personal application Yahweh in Your Walk and ideas for prayerful worshipful expression Yahweh in Your Worship These biblical truths will set you on a daily adventure of the highest calling directing you to make the most of each day and its opportunities with Yahweh Yeshua as your faithful Companion and unfailing Guide

Second Zechariah and the Deuteronomic School Raymond F. Person,

Jr.,1993-11-01 Person concludes that the Deuteronomic school's redactional activity continued into the postexilic period In Part I he first critiques the commonly held conclusion that the Deuteronomic school ceased in the Exile He then presents evidence that suggests that the Deuteronomic redactions of the Deuteronomic History and Jeremiah continued into the postexilic period this evidence is of two types 1 Deuteronomic phraseology in the postexilic additions found in the MT and 2 the themes of return and restoration as vaticinia ex eventu In Part II the conclusion that the Deuteronomic school continued in the postexilic period is bolstered with additional evidence in the form of Deuteronomic phraseology in the redactional material of Second Zechariah adapting the methodology applied by J Philip Hyatt and others to Jeremiah Person argues that Zechariah was redacted by the Deuteronomic school with the addition of the Deuteronomic prose in Zechariah 9 14 In Part III Person comments on the possible social setting of the Deuteronomic school in postexilic Yehud as well as its theology in this setting

Rhetoric and Social Justice in Isaiah Mark Gray,2006-04-19 Demonstrates the ways that social justice attains primacy in Isaiah the ways that humanity is given a role in pursuing social justice and the ways that Isaiah 58 impinges upon the idea of social justice This book explores the nature and sources of the social justice encoded in the world Proof Of Life Apostle Jimmie James,2023-04-11 Apostle Jimmie James releases a powerful tool of self evaluation entitled Proof Of Life Christ Challenges The Church In this revelatory manuscript Apostle James releases key details and understanding of what God is looking for and requires as the coming of Christ grows closer He gives vivid illustrations revelations and wisdom in areas the

church has neglected and in doing so no longer possessing the power and authority of God that is needed in order to manifest The miracles deliverance and authority to show God s power on earth Proof of Life Christ Challenges the Church captures and reveals to today s world not only the true original purpose of the church that Christ built but it also revives the church with opportunity and action steps to actually carry out the eternal mission of love through the church that Christ Jesus designed the church be and do This Proof of Life Challenge ignites the true Spirit of God in all those who read it to lay ahold of everything that Christ has already given each and every Christian and release the evidence within the unified church that Christ is still doing miracles and is victorious over the works of Satan *The Composition of the Pentateuch* Joel S.

Baden,2012-04-24 For well over two centuries the question of the composition of the Pentateuch has been among the most central and hotly debated issues in the field of biblical studies In this book Joel Baden presents a fresh and comprehensive argument for the Documentary Hypothesis Critically engaging both older and more recent scholarship he fundamentally revises and reorients the classical model of the formation of the Pentateuch Interweaving historical and methodological chapters with detailed textual case studies Baden provides a critical introduction to the history of Pentateuchal scholarship discussions on the most pressing issues in the current debate and a practical model for the study of the biblical text *The Little Horn's Big Lie!* Lynda L. Durrett,Lynda L. Durrett and Yisrael Avilla,2010-09 Have you ever listened to a preacher bring a sermon on the pre tribulation rapture How wonderful it will be when we are all caught up with Jesus just before everything breaks loose here on earth What about the one that is preached on how and why the Sabbath was changed to Sunday and give a list of reasons none of them found in the Bible Then there is tithing They make sure to let us know we demonstrate our obedience through paying our tithing and giving back to God Yahweh and when we do not we can be cursed or not be blessed as we should We cannot forget the sermon on the Gifts of God Yahweh that are no longer for the church These and other doctrinal views are commonly preached in the main stream Christian Churches today They are based off opinion of men and are often argued with verses from the Bible that have been taken out of context It is interesting that the evangelical churches today claim to take and read the Bible literally They claim every word to be the inerrant word of God Yahweh Many of them treat the Bible as God Yahweh yet there is not a verse that can be found that says the Sabbath was changed to a Sunday that the Saints will be raptured before the tribulation or the church is to pay tithing Nowhere will you find the Holy Spirit only gives just some of the gifts on the list to believers today You will not find a verse that specifically tells you once you are saved you are always saved Instead you will find volumes of verses that contradict each of these false doctrines being preached So what does that say about our contemporary church today the one that claims to take each word statement or verse literally the very ones preaching about false teachers teaching themselves false doctrine *Trajectories* Bryan C. Babcock,James Spencer,2018-03-02 Trajectories meets an urgent need in both undergraduate and graduate study of the Old Testament Too often Old Testament theology focuses on the end product and leaves the process obscured Each chapter of Trajectories

provides a clear path connecting biblical research to theological conclusions The final chapter offers a step by step method for completing a thorough hermeneutical analysis framed within a discussion of the gospel message Trajectories also seeks to situate Old Testament theology in relation to global and generational trends influencing the church and evangelical theology The implications of globalization and the rise of millennials on Old Testament theology are critical and thought provoking topics for discussion Chapters in Trajectories are organized thematically so the textbook can serve as a companion study guide to courses in the Old Testament and New Testament In addition the exploration of topics allows each study to link to the New Testament Each chapter concludes with tangible applications for the contemporary Christian church and with questions for group discussion and reflection

Against Principalities and Powers Daniel K. Darko, 2020-03-31 In this comprehensive exploration of Ephesians Daniel K Darko establishes the context of early Christians in Asia Minor specifically in relation to their belief in spiritual beings and the role these beings play in human affairs Drawing parallels with contemporary contexts across the globe especially in Africa Professor Darko critiques the limited lens of Western interpretation encouraging the church to embrace a broader array of worldviews in its pursuit of deep biblical understanding and sound application Ultimately Darko demonstrates that salvation in Ephesians is about deliverance from sin and the end of control by evil powers so we can flourish under the reign of God
