To Serve And Protect Elloras Cave:

Architectural Conservation in Asia John H. Stubbs, Robert G. Thomson, 2016-11-10 At a time when organized heritage protection in Asia is developing at a rapid pace Architectural Conservation in Asia provides the first comprehensive overview of architectural conservation practice from Afghanistan to the Philippines The country by country analysis adopted by the book draws out local insights experiences best practice and solutions for effective cultural heritage management that will inform study and practice both in Asia and beyond Whereas architectural conservation in much of the Western world has been extensively documented this book brings together coverage of many regions where architectural conservation has been understudied Following on from the highly influential companion volumes on global architectural conservation and architectural conservation in Europe and the Americas with this book the authors extend their pioneering global examination to the dynamic and evolving field of architectural conservation in Asia Throughout the book the authors and regional experts provide local case studies and profile topics that bring depth and insight to this ambitious study As architectural conservation becomes increasingly global in practice this book will be of considerable assistance to architectural conservation practitioners site managers and students of architecture planning archaeology and heritage studies worldwide

Carving Devotion in the Jain Caves at Ellora Lisa Owen, 2012-04-03 Drawing on art historical epigraphical and textual evidence this book is the first full scale reconstruction of medieval Jain artistic and devotional practices at the rock cut site of Ellora in Maharashtra India Created during the ninth and tenth centuries Ellora s Jain caves are among the best preserved examples of medieval Jain art in India While this book briefly addresses traditional art historical issues of date and iconography it primarily considers the articulation of sacred space within the caves and the role of imagery in shaping devotional practices Building upon scholarship that examines Jainism within its larger South Asian context this book also explores connections between the Jain monuments and their Hindu and Buddhist counterparts to reveal a lived religious world at Ellora

Religion and Identity in South Asia and Beyond Steven E. Lindquist, 2013-12-01 This volume brings together sixteen articles on the religions literatures and histories of South and Central Asia in tribute to Patrick Olivelle one of North America s leading Sanskritists and historians of early India Over the last four decades the focus of his scholarship has been on the ascetic and legal traditions of India but his work as both a researcher and a teacher extends beyond early Indian religion and literature Religion and Identity in South Asia and Beyond is a testament to that influence The contributions in this volume many by former students of Olivelle are committed to linguistic and historical rigor combined with sensitivity to how the study of Asia has been changing over the last several decades

Cave Dwellings Architecture Benjamin Ramirez, AI, 2025-03-04 Cave Dwellings Architecture explores the fascinating world of underground settlements revealing how diverse cultures ingeniously carved homes from rock This book examines the architectural techniques cultural adaptations and historical significance of these subterranean communities Discover how societies adapted their lifestyles and

belief systems to the unique challenges of underground living For example the deliberate engineering of these structures often provided natural thermal insulation offering protection from harsh climates The book presents a historical overview spanning from prehistoric times to the present to understand the social economic and political conditions that led to these settlements It argues that cave dwellings are sophisticated architectural solutions reflecting an understanding of local environments Uncover the ingenious ways these dwellings were constructed from modifying existing caves to carving multi level structures The design of cave dwellings also provided defense against external threats The book progresses through case studies such as the cave cities of Cappadocia and the cliff dwellings of Mesa Verde analyzing architectural features and cultural practices By offering a global perspective and highlighting sustainable features Cave Dwellings Architecture provides valuable insights for contemporary architecture environmental design and anyone interested in human dwellings and architectural history

Cave of My Ancestors Kirin Narayan,2024-09-24 Exploring family stories reveals the rich history of a seventh century Buddhist shrine As a young girl in Bombay Kirin Narayan was enthralled by her father s stories about how their ancestors had made the ancient rock cut cave temples at Ellora Recalling those stories as an adult she was inspired to learn more about the caves especially the Buddhist worship hall known as the Vishwakarma cave Immersing herself in family history oral traditions and works by archaeologists art historians scholars of Buddhism Indologists and Sanskritists Narayan set out to answer the question of how this cave came to be venerated as the home of Vishwakarma the god of making in Hindu and Buddhist traditions Cave of My Ancestors represents the perfect blend of Narayan s skills as a researcher and writer Her quest to trace her family s stories took her to Ellora through libraries archives and museums around the world and across disciplinary borders Equal parts scholarship detective story and memoir Narayan s book ably leads readers through centuries of history offering a sensitive meditation on devotion wonder and all that connects us to place family the past and the divine
