The Concise Dictionary of Pastoral Care and Counseling Glenn H. Asquith, 2010 Surveys the essentials of pastoral care and counseling CHURCH LAW: A Concise Legal Handbook For Ministers, Pastors, and Church Leaders Craig Lantz, ThD, PhD, 2025-09-15 It is imperative in the day and age in which we live 2025 that Christian leaders understand the law as it relates to Pastors Churches and non profit religious organizations Christian Leaders must have an understanding of the laws affecting Pastors and why they are important for Church boards and ministers to know Craig Lantz PhD uses court cases to help define and explain the legal distinction of ministerial status and its implications for Pastors and Church boards This brief and concise handbook on Church Law addresses clergy employment contracts compensation termination legal privileges and conditions of ministers and the legal authority of ministers on behalf of the Church Also the more common theories of clergy legal liability are examined The laws of today are more complex than they ever have been and lawyers are in the business of making BIG BUCKS They do this because unfortunately many Pastors and Church leaders are ignorant about the law There are NOW more legal problems and lawsuits against Churches than in any period of history Therefore ministers and leaders must be aware of legal issues and potential problems that can come their way if they are not careful in handling Church members non members and counseling situations in particular Church leaders must become aware of the potential legal problems that can result from relationships with parishioners as well as legal problems with employees Pastor beware of the dangers that are lurking in the world of Lawyers Politicians Judges local county and state governments as some have been corrupted Every Pastor Full Time Church Leader and Christian Minister needs to purchase a copy of this concise handbook on Church Law This edition is a complete update edited and revised in 2025 Theology and Pastoral Counseling Deborah van Deusen Hunsinger, 1995 This volume lays out an important new interdisciplinary approach to the relationship between theology and psychology in the work of pastoral counseling setting forth a method emerging from a Barthian theological perspective **The Effective Pastor** Robert C. Liberman,Eugene G. Wheeler,Louis A.J.M. de Visser,Julie Kuehnel,Timothy Kuehnel,2013-11-21 In the treatment of marital problems behaviorally oriented and communication oriented approaches have been in conflict and seen as contrasting and unlikely bed partners Many therapists focusing on communication skills have felt that behaviorists were too structured and uncaring on the other hand behaviorists have considered humanistic therapists as being touchy feely vague and unfocused However in the Handbook of Marital Therapy Liberman Wheeler de Visser and the Kuehnels have wedded these two potent approaches into an integrated framework that makes them loving bed partners With over a decade of experience in applying behaviorally oriented treatment to couples Liberman and his co authors have developed an educational model that focuses on teaching specific communication skills to couples The communication skills they describe have been used extensively in all types of marital therapy regardless of the therapist's theoretical orientation The unique contribution of this book is that the authors provide a step by step approach to teaching these communication skills within a behavioral framework Each chapter guides the therapist through the many issues and problems confronting him or her as a change agent This highly readable book is enhanced by a liberal use of case examples Emphasis is given to homework and structured sessions that focus on increasing specific communication skills in a sequential manner The advantages of working with couples in a group setting are discussed and concrete suggestions on how to manage these groups are clearly presented *Pastoral Psychology* ,1950

Carol's Letters Stephen Cunningham, 2012-11-30

What is appropriate Do I act like I never saw the letters and put them back in with her things Do I show them to my dad and ask him what is appropriate to do with them out of respect for mom and out of respect for those of us who survive her because they could have just as easily fallen into anyone else s possession I will share with you these letters S Cunningham

Chapter 23 Dear Diary Due to various circumstances she may become overwhelmed by many responsibilities which she feels before God she must be able to meet She doesn t want to complain because she wants to be totally surrendered to God s will and respectful of her husband s leadership If her husband does not sense the pressure his wife is under and if she feels this is all God s will then she has NO OUT This can lead in extreme circumstances to mental disorders temporary or permanent or suicide Carol Cunningham

Chapter 9 Dear Tim Maybe I m insane and irrational in an attempt to explain my mother s death but to me it makes more sense now Now that I read mom s writing what she really felt I read these letters and for the first time see her as more than a mother but as a person with weaknesses and struggles like anyone else S Cunningham
