Tobruk 1941 Rommels Opening Move Praeger Illustrated Military History:

Speeches and Proclamations, 1932-1945: The years 1941 to 1945 Adolf Hitler, 1990 Annotation In 1932 when Hitler became the most important political figure in Germany Dr Domarus began to collect his public statements speeches interviews and letters being conscious of their eventual documentary value Friends at home and abroad persuaded him to make comments on this unique collection and publish it in its entirety **Hitler, Speeches and Proclamations** Adolf Hitler, 1990 *The Journal of Military History*, 2005 **American Book Publishing Record**, 2003 *Tobruk 1941* Jon Latimer, 2004 In one of his most famous battles Rommel's Afrikakorps swept across the desert capturing much of the British force and the first siege of Tobruk began The scene was set for one of the epic struggles of the desert war **Praeger illustrated military history series**, *Tobruk 1941* Timothy Hall, 1989 **Tobruk and El Alamein** Barton Maughan, 1966 **Tobruk** William F. Buckingham, 2008-04 The siege of Tobruk was the longest in British military history The coastal fortress and vital deep water port of Tobruk was of crucial importance for the battle for North Africa as the key that would unlock the way to Egypt and the Suez Canal For more than a year the isolated garrison held out against all attempts to take it For both sides it assumed a propaganda role that outweighed even its great strategic value Goebbels referred to its defenders as rats which in characteristic British fashion the whole army proudly adopted as their title thus Desert Rats and the port became a symbol of resistance when the war was going badly for Britain When it fell and 25 000 men surrendered to an armored assault on June 21 1942 Churchill said it was one of the heaviest blows I can recall during the war This startling new account drawing extensively on first hand testimony from veterans on both sides is the most comprehensive history of the epic battle and is sure to become the standard work on the subject *The War Against Rommel's Supply Lines, 1942-43* Alan J. Levine, 1999
