Try Your Hand at This Kathy MacMillan, 2005-11-10

American Sign Language is more than just an assortment of gestures. It is a full fledged unique language with all the characteristics of such. This helpful and user friendly guide for librarians and other library personnel involved in library programming demonstrates everything from how to set up programming involving sign language for all ages to dealing with and paying interpreters. The book also discusses how to publicize programs to the public and within the deaf community and how to evaluate and improve the library's sign language collection. Kathy MacMillan's impressive understanding and knowledge of the deaf community and the importance of sign language, as well as her exceptional handling of the numerous erroneous myths about deafness and sign language that are unfortunately still often current, make this handbook an indispensable tool for all library personnel looking to reach out to the deaf and hard of hearing community. **The Weekly Curriculum** Barbara Backer, 2003 What's your plan? If you're not sure, this great big book has the answer. With 52 weekly plans, it's easy to come up with appropriate learning experiences that children will love. This essential classroom resource covers special holidays, seasonal topics, everyday plans, and other things you've probably never thought of, such as National Pretzel Month or National Pancake Day. *Create, Innovate, and Serve* Kathleen Campana, J. Elizabeth Mills, 2019-04-01 Emphasizing an inclusive approach to programming that incorporates research-based theories and frameworks, this text will be a valuable orientation tool for LIS students as well as a holistic guide for current children and youth services professionals.
